Reproduction of the original *Love for Life. An Anthology of Words and Pictures Compiled by J. Hadfield, Etc. [With Illustrations.]*. John Charles Heywood HADFIELD,1961 *Sordid Images* Steve Clark,2003-09-02 In this extraordinary and bold book S H Clark explores and constructs a history of poetic misogyny For the first time a wide range of English poetry by men is examined for evidence of the articulation of heterosexual masculine desires But Clark goes beyond a straightforward oppositional model of reading the male canon to ask how we read this work after feminism and whether it is possible to value these texts as misogynist texts in the light of feminist theory *Sordid Images* is a challenging controversial book It will excite and unsettle its readers and inspire many to look again at some of the cornerstone works of English literature *Artful Breakdowns* Georgiana Banita,Lee Konstantinou,2023-03-02 Contributions by Georgiana Banita Colin Beineke Harriet Earle Ariela Freedman Liza Futerman Shawn Gilmore Sarah Hamblin Cara Koehler Lee Konstantinou Patrick Lawrence Philip Smith and Kent Worcester A carefully curated wide ranging edited volume tracing Art Spiegelman s exceptional trajectory from underground rebellion to mainstream success *Artful Breakdowns The Comics of Art Spiegelman* reveals his key role in the rise of comics as an art form and of the cartoonist as artist The collection grapples with Spiegelman s astonishing versatility from his irreverent underground strips influential avant garde magazine RAW the expressionist style of the comics classic *Maus* the illustrations to the Jazz Age poem *The Wild Party* and his response to the September 11 terrorist attacks to his iconic cover art for the New Yorker his children s books and various cross media collaborations The twelve chapters cut across Spiegelman s career to document continuities and ruptures that the intense focus on *Maus* has obscured yielding an array of original readings Spiegelman s predilection for collage improvisation and the potent protest of silence shows his allegiance to modernist art His cultural critique and anticapitalist antimilitary positions shed light on his vocal public persona while his deft intertextual strategies of mixing media archives from comics to photography and film amplify the poignance of his works Developing new approaches to Spiegelman s comics such as the publication history of *Maus* the history of immigration and xenophobia and the cartoonist s elevation of children s comics the collection leaves no doubt that despite the accolades his accessible comics have garnered we have yet to grasp the full range of Spiegelman s achievements in the realm of comics and beyond *The Book of the Heart* Eric Jager,2000-08 In today s increasingly electronic world we say our personality traits are hard wired and we replay our memories But we use a different metaphor when we speak of someone reading another s mind or a desire to turn over a new leaf these phrases refer to the book of the self an idea that dates from

the beginnings of Western culture Eric Jager traces the history and psychology of the self as text concept from antiquity to the modern day He focuses especially on the Middle Ages when the metaphor of a book of the heart modeled on the manuscript codex attained its most vivid expressions in literature and art For instance medieval saints legends tell of martyrs whose hearts recorded divine inscriptions lyrics and romances feature lovers whose hearts are inscribed with their passion paintings depict hearts as books and medieval scribes even produced manuscript codices shaped like hearts The Book of the Heart provides a fresh perspective on the influence of the book as artifact on our language and culture Reading this book broadens our appreciation of the relationship between things and ideas Henry Petroski author of The Book on the Bookshelf
