[Poems.] Elsa BARKER,1912      *A book of love and pain* Syed Rizwan Khan,2023-07-17 The poetry of this book is written with tears and blood The reader would come to know what it looks like when a heart bleeds When there was no one to turn to I wrote this poetry collection as a way of expressing my love and pain By reading this poetry the reader will go on a journey of love pain and healing      **The Book of Love** Maha Khalid,2013-12-30 I am not sure I truly wrote this book myself I was preoccupied with the subject of love I suffered in love like us all and struggled to understand why we miss it in our lives Why we seem to be distant to a constant perpetual disappointment I wanted to know what that we missed what is that we do not know what is that we need to learn to find true love in our lives Then it happened I was in a state of never ending questioning when one day I felt as if the whole world was shut off and all my existence came into a stand still I found myself in a strange unprecedented state of bliss a strange of state as if this book was dictated on me

There were no pauses no stops no contemplating or thinking just writing The whole text came as one it came from the heart from within the soul I felt no thinking involved no mind analysis just a simple sense of flow that I could not stop or control I realized as for the first time that we cannot know love without understanding love We cannot find love if we do not know love We cannot keep love if we do not know and understand love This book is about love true love healing love A love that does not hurt does not cause pain or suffering and that does not end A love that does not let us down does not fear and does not give up in front of challenges and difficulties It is the love we have within but we rarely notice it or realize its existence It is the love that is the source of all joy and all happiness It is the love that is our birthright but we never been introduced to it or properly explained to us I understood as if hit by light that I was all wrong about it We cannot reach love through no love we cannot bring love into our lives if we do not become love itself Only the energy of love can attract love This book is about the true nature of love and through it one can find and sense and internalize this nature In its inspired verses one will find the truth that allows us to come forth to love with love
