Christoph Schumann

Book Of Mirdad A Lighthouse And A Haven:

The Book of Mirdad Mikhail Naimy, 1962 **The Book of Mirdad** Mikhā'il Nu'aymah, 1969 *The Book of Mirdad* Miḥa'il Nu'aymah, 1954 *The Book of Mirdad* Mikhail Naimy, 2012-01-01 A classic of spiritual literature for fans of visionary metaphysical and mystical novels such as *The Little Prince* and *The Alchemist* Mikhail Naimy a contemporary of Kahlil Gibran author of *The Prophet* has woven legend mysticism philosophy and poetry into a powerful allegorical story that has touched the hearts of millions of readers This timeless allegorical tale presents the teachings of Mirdad abbot of a monastery that stands where Noah's Ark came to rest after the Flood In a series of dialogues with his disciples Mirdad offers lessons on themes such as love obedience borrowing and lending repentance old age and the cycle of life and death Reissued for a new generation this prophetic work calls on humankind to prepare for another deluge greater than Noah's when Heaven will be revealed on Earth Includes a new foreword by Andrew Harvey author of the bestselling *A Journey in Ladakh* and several other seminal works of spirituality **Arab Voices in Diaspora** Layla Al Maleh, Layla Maleh, 2009 *Arab Voices in Diaspora* offers a wide ranging overview and an insightful study of the field of anglophone Arab literature produced across the world The first of its kind it chronicles the development of this literature from its inception at the turn of the past century until the post 9/11 era The book sheds light not only on the historical but also on the cultural and aesthetic value of this literary production which has so far received little scholarly attention It also seeks to place anglophone Arab literary works within the larger nomenclature of postcolonial emerging and ethnic literature as it finds that the authors are haunted by the same hybrid exilic and diasporic questions that have dogged their fellow postcolonialists Issues of belonging loyalty and affinity are recognized and dealt with in the various essays as are the various concerns involved in cultural and relational identification The contributors to this volume come from different national backgrounds and share in examining the nuances of this emerging literature Authors discussed include Elmaz Abinader Diana Abu Jaber Leila Aboulela Leila Ahmed Rabih Alameddine Edward Atiyah Shaw Dallal Ibrahim Fawal Fadia Faqir Khalil Gibran Suheir Hammad Loubna Haikal Nada Awar Jarrar Jad El Hage Lawrence Joseph Mohja Kahf Jamal Mahjoub Hisham Matar Dunya Mikhail Samia Serageldine Naomi Shihab Nye Ameen Rihani Mona Simpson Ahdaf Soueif and Cecile Yazbak Contributors Victoria M Abboud Diya M Abdo Samaa Abdurraqib Marta Cariello Carol Fadda Conrey Cristina Garrigó Lamia Hammad Yasmeen Hanoosh Walid S Hassan Richard E Hishmeh Syrine Hout Layla Al Maleh Brinda J Mehta Dawn Mirapuri Geoffrey P Nash Boulus Sarrou Fadia Favez Suyoufie [The Imprint Journey](#) Liliane Desjardins, 2011-02-25 *Ever Wonder Why The Same Patterns Happen To You Over And Over Again* We all have imprints both negative and positive An imprint is a belief that shapes our thoughts and actions a belief we often hold unconsciously Liliane Desjardins a certified clinical addiction specialist co founder of Pavillon Gilles Desjardins and co creator of the Desjardins Unified Model of Treatment of Addictions sets forth in *The Imprint Journey* an exploration of imprints how they govern our lives and how we can reprogram our minds to function in new and fulfilling ways

The Imprint Journey is equivalent to reading two powerful books in one Liliane spends the first section telling her own story a childhood in war torn Croatia the death of her mother being an immigrant first to France and later French Canada and the addictions and dysfunctions that marred her life until a suicide attempt resulted in a near death experience Her own personal recovery led her on a mission to help others find their own freedom from self imposed and self limiting imprints The second half of this powerful book provides an anatomy of our imprints revealing how to transform them so we are free to be our authentic selves Liliane includes eight powerful personal stories of people who have overcome their imprints including religious sexual and cultural limitations as well as an overview of how understanding and rewriting our imprints can shape the human race s future as we all experience individual Oneness Readers will find themselves turning to The Imprint Journey again and again as a guide to relieve fears and to discover powerful truths about themselves that will transform them into their authentic selves Acclaim For Desjardins The Imprint Journey Liliane writes from the depth of her own experience with passion and power and a keen understanding of the human psyche Her insights lift the reader above their own past patterns providing insight both comforting and striking The book inspires hope that no matter what we ve been through fundamental change is possible Marianne Williamson author A Return To Love The Imprint Journey will touch your very soul and make way for profound transformation From personal story to practical steps Liliane walks with her readers on the path of awakening Your life will be changed Carolyn Craft Psychotherapist Unity Minister host of Waking Up With Carolyn Craft on Sirius Satellite Radio Learn more at [www LilianeDesjardins com](http://www.LilianeDesjardins.com) From Life Scripts Press [www RewritingLifeScripts com](http://www.RewritingLifeScripts.com)

Liberal Thought in the Eastern Mediterranean Christoph Schumann,2008 This volume analyzes a century of intellectual debates political ideologies and literary media in order to track the emergence spread and decline of liberal thought as a response to both authoritarian rule and Westernization in the Eastern Mediterranean Teachers of Wisdom Igor Kononenko,2010-06-27 Mountains Figured and Disfigured in the English-Speaking World Françoise Besson,2020-06-01 The essays in this book written by poets novelists mountain climbers and academics from all over the world evoke the representation of mountains in the English speaking world as artists writers philosophers or mountain climbers have represented them from the sixteenth to the twenty first centuries From the Alps to the Pyrenees from Mount Fuji to Mount Shasta from the Himalayas to the Scottish Highlands from Ikere in Nigeria to Devil s Tower in the United States from Uluru in Australia to the most northern mountain of the Arctic the shapes of the world speak the same language and tell the world its own story This interdisciplinary book weaving together mountaineering literature philosophy painting cinema ecology history palaeontology geography geopolitics toponymy law religion and myth invites people to an innovative reading of mountains it reveals the close relationship existing between the shapes of the world and all forms of writing and at the same time it shows how the representations of the imagination may be instrumental in protecting the natural world The story told by the landscape inscribes a broken line in the shapes of the world tearing the landscape like a fragile page

whenever historical and political events wars mining or deforestation leave scars in the landscape but writers and artists representations of mountains constitute a path to awareness as they are not only a painting of beauty but an image of our link to nature and a warning as well For centuries the image of the mountain has conveyed a symbolism telling the story of human thought and this book shows to what extent literature and art play an essential part in our awareness of nature
