Book Of Protection Being A Collection Of Charms 1912:

Studies in the Syriac Magical Traditions Marco Moriggi, Siam Bhayro, 2021-10-25 The study of the Syriac magical traditions has largely been marginalised within Syriac studies with the earliest treatments displaying a disparaging attitude towards both the culture and its magical practices Despite significant progress in more recent scholarship in respect of the culture its magical practices and their associated literatures remain on the margins of the scholarly imagination This volume aims to open a discussion on the history of the field to evaluate how things have progressed and to suggest a fruitful way forward In doing so this volume demonstrates the incredible riches contained within the Syriac magical traditions and the necessity of their study *Hebrew Union College Annual Vol. 94 (2023)* Jason Kalman, 2024-06-30 The Hebrew Union College Annual is a peer reviewed journal that publishes scholarly treatments of all aspects of Jewish and Cognate Studies in all eras from antiquity to the contemporary world **The Book of Protection**, 2014-03-29 This Is A New Release Of The Original 1912 Edition **Imitating Abraham**, 2025-03-27 Imitating Abraham provides exciting glimpses into the reception history of the character Abraham in Judaism Christianity and Islam illuminating the manifold ways in which interpreters draw upon his legacy to authorize practices like sacrifice circumcision hospitality feasting prayer and personal and corporate piety Abraham holds surprises his name is used in magical amulets some published here for the first time to ward off demons protect cattle from illness and even to round up runaway slaves Researchers students and all interested in Biblical Jewish Christian and Islamic Studies as well as ritual and exemplarity will want to read this book *Gog and Magog* Georges Tamer, Andrew Mein, Lutz Greisiger, 2023-12-31 The tale of a collective evil force known as Gog and Magog has occupied the imagination of Jews Christians and Muslims for millennia finding expression in literary and scholarly works and other cultural artifacts This book gathers the papers from two conferences at the University of Erlangen Nuremberg by scholars ranging from history to religious studies to art history and is the most thorough work on the subject to date Jesus the Magician Smith, Morton, 2014-08-27 A twentieth century classic uncannily smart incredibly learned from the foreword by Bart Ehrman This book challenges traditional Christian teaching about Jesus While his followers may have seen him as a man from heaven preaching the good news and working miracles Smith asserts that the truth about Jesus is more interesting and rather unsettling The real Jesus only barely glimpsed because of a campaign of disinformation obfuscation and censorship by religious authorities was not Jesus the Son of God In actuality he was Jesus the Magician Smith marshals all the available evidence including but not limited to the Gospels He succeeds in describing just what was said of Jesus by outsiders those who did not believe him He deals in fascinating detail with the inevitable questions What was the nature of magic What did people at that time mean by the term magician Who were the other magicians and how did their magic compare with Jesus works What facts led to the general assumption that Jesus practiced magic And most important was that assumption correct The ramifications of Jesus the Magician give new meaning to the word controversial This book recovers a vision of Jesus that

two thousand years of suppression and polemic could not erase And what may be the central point of the debate Jesus the Magician strips away the myths and legends that have obscured Jesus the man who lived **From the Oxus River to the Chinese Shores** Li Tang, Dietmar W. Winkler, 2013 Syriac Christianity spread along the Silk Road together with Aramaic culture and liturgy Because of this the staging posts of Christian merchants along the trade routes grew into missionary centers Thus the mission of the Church of the East stretched from Persia to Arabia and India and from the Oxus River to the Chinese shores This book contains a collection of studies on the Church of the East in its historical setting It sheds new light on this subject from various perspectives and academic disciplines providing fresh insights into the rich heritage of Syriac Christianity Series *orientalia patristica oecumenica* Vol 5 Silk Road Traces Li Tang, Dietmar W. Winkler, 2023-01-26 This volume includes cutting edge research on the spread of Syrian Christianity along the Silk Road from the 6th to the 14th century Recent archaeological discoveries and excavations of ancient and medieval Christian sites in Kyrgyzstan Kazakhstan and China shed new light on Christian communities in Central Asia China and Mongolia Scholars from such fields as archaeology manuscript studies history and theology have contributed offering new insights into the influence of Syriac Christianity along the Silk Roads Beware the Evil Eye, 4-Volume Set John H. Elliott, 2017-09-20 In the Sermon on the Mount Jesus of Nazareth makes reference to one of the oldest beliefs in the ancient world the malignity of an Evil Eye The Holy Scriptures in their original languages contain no less than twenty four references to the Evil Eye although this is obscured by most modern Bible translations John H Elliott's Beware the Evil Eye describes this belief and associated practices its history its voluminous appearances in ancient cultures and the extensive research devoted to it over the centuries in order to unravel this enigma for readers who have never heard of the Evil Eye and its presence in the Bible The four volumes cover the ancient world from Sumer to the Middle Ages **Supplement to the Thesaurus Syriacus of R. Payne Smith** J. P. Margoliouth, 2009-09-01 The study of languages forms the foundation of any study of ancient societies While we are dependent upon archaeology to unearth pottery tools buildings and graves it is through reading the documentary evidence that we learn the nuances of each culture from receipts and letters to myths and legends And the access to those documents comes only through the basic work of deciphering scripts conjugating verbs untangling syntax and mastering vocabulary Ancient Language Resources brings together some of the most significant reference works for the study of ancient languages including grammars dictionaries and related materials While most of the volumes will be reprints of classic works we also intend to include new publications The linguistic circle is widely drawn encompassing Egyptian Sumerian Akkadian Ugaritic Phoenician Hattic Hittite Nesite Hurrian Hebrew Aramaic Syriac Ethiopic Arabic Greek Coptic Latin Mandaean Armenian and Gothic It is the hope of the publishers that this will continue to encourage study of the ancient languages and keep the work of groundbreaking scholars accessible K C Hanson Series Editor **ARTIFACT, TEXT, CONTEXT** Li Tang, Dietmar W. Winkler, 2020-01-01 This volume is a collection of papers highlighting recent researches on

Syriac Christianity in China and Central Asia The topics range from artifacts to texts and their historical contexts covering the period from the 7th to the 18th century As the studies on Syriac Christianity in China and Central advance focus has shifted from a general historical survey and textual translation to a more micro and meticulous study of specific concepts and terms and particular names of persons and places **The Watkins Dictionary of Angels** Julia Cresswell,2012-01-01 For anyone who has ever wondered just what an angel is here you will find everything you could wish to know about angels and angelic beings and their attributes **Solomonica Magica: Solomon, Sisinnius, and the Holy Rider on Greek-Inscribed Amulets from Late Antiquity and Early Byzantium** Juraj Franek,2025-07-24 Solomonica Magica is the first comprehensive survey of Solomonica or Holy Rider amulets from the Mediterranean of Late Antiquity and Early Byzantium Hundreds of magical gems leaf shaped pendants circular medallions and other apotropaic objects many of which were previously unpublished are presented against the backdrop of a parabiblical tradition involving Solomon the Magician and Sisinnius the Demon Hunter All Greek texts have received fresh critical editions and English translations The text of the monograph is richly illustrated with over 700 images many newly commissioned specifically for this volume **Beware the Evil Eye** John H Elliott,2016-04-28 In the Sermon on the Mount Jesus of Nazareth makes reference to one of the oldest beliefs in the ancient world the malignity of an Evil Eye The Holy Scriptures in their original languages contain no less than twenty four references to the Evil Eye although this is obscured by most modern Bible translations John H Elliott s Beware the Evil Eye describes this belief and associated practices its history its voluminous appearances in ancient cultures and the extensive research devoted to it over the centuries in order to unravel this enigma for readers who have never heard of the Evil Eye and its presence in the Bible This is the first of a four volume work on the Evil Eye **Interpreting Folklore** Alan Dundes,1980-08-22 Dundes has produced a work which will be useful to both students and teachers who wish to broaden their understanding of modern folklore Center for Southern Folklore Magazine It is impossible ever to remain unimpressed with Dundes excursions however much one may be in disagreement or not with his conclusions Forum for Modern Language Studies Often controversial Alan Dundes s scholarship is always provocative perceptive and intelligent His concern here is to assess the material folklorists have so painstakingly amassed and classified to interpret folklore and to use folklore to increase our understanding of human nature and culture **The Library of Paradise** David Allen Michelson,2023-01-13 Contemplative reading is a spiritual practice developed by Christian monks in sixth and seventh century Mesopotamia The Library of Paradise tells the story of this Syriac tradition in three phases its establishment as an ascetic practice the articulation of its theology and its maturation and spread **From The Holy Mountain : A Journey** William Dalrymple,2004-02 In his third book William Dalrymple has dug deep to present the case of the Middle East s downtrodden Christians More hard hitting than either of his previous books From the Holy Mountain is driven by indignation While leavened with his characteristic jauntiness and humour it is also profoundly shocking Time and time again in the details of Dalrymple s

discoveries I found myself asking why do we not know this The sense of unsung tragedy accumulates throughout the chapters of this book From the Holy Mountain is the most rewarding sort of travel book combining flashes of lightly worn scholarship with a powerful sense of place and the immediacy of the best journalism But more than that it is a passionate cri de coeur for a forgotten people which few readers will be able to resist Philip Marsden Spectator *Beware the Evil Eye Volume 1* John H.
