James Joyce's Manuscripts and Letters at the University of Buffalo Peter Spielberg, James Joyce, State University of New York at Buffalo. University Libraries, Lockwood Memorial Library, 1962-01-01 The approximately 20 000 pages of Joyce manuscripts and letters in the Lockwood Memorial Library of the University of Buffalo here catalogued by Dr Spielberg offer scholars and critics much unpublished and unsifted material for the explication and examination of Joyce s individual works as well as the raw material necessary for a detailed exploration of James Joyce s creative process The scope of the Buffalo Joyce Collection is vast spanning the full range of Joyce s writing career from 1900 to 1940 from his Epiphanies to possible revisions for Finnegans Wake Dr Spielberg s work in compiling the present catalogue of Joyce s own writings and letters in the collection now provides for Joyceans a guide to what up until now has been mainly uncharted territory The manuscripts workbooks notebooks sketches schemas notes early and late drafts fair copies typescripts galley and page proofs errata translations and letters have been divided into ten major categories Epiphanies A Portrait of the Artist as a Young Man Exiles Verses Ulysses Finnegans Wake Criticism Notebooks Miscellaneous Manuscripts and Letters from Joyce Each item has been described and identified following a uniform format for the pertaining facts title collation pagination contents other markings dating publication and notes In his introduction to the catalogue the author describes the Buffalo Joyce Collection itself giving the history of its growth its extent and holdings In discussing the

manuscripts he calls particular attention to the Finnegans Wake Workbooks MSS VI A B C and D which he comments are probably the strangest manuscripts in existence even for so strange a book as Finnegans Wake The apparent disorder and lack of organization of these workbooks is a false impression Where the reader of the workbooks stumbles and bombinates through what seems to be utter blackness Joyce danced and skipped with ease What to us seems chaos was neatness and method to Joyce It is Dr Spielberg s hope that the manuscripts he has catalogued will when examined in detail offer a key to the better understanding of the hides and hints and misses in prints in the writings of the most controversial figure of twentieth century literature **Text Books of Art Education.
