Sumner, 2007-05-01 *Being Salt* addresses both ordination and leadership by taking as its point of departure the most distinctive yet often overlooked feature of ordination indelibility being ordained for life Sumner wholeheartedly agrees with the Reformation emphasis on the ministry of the whole people of God Still he argues that we can only understand priesthood if we understand what one is ordained for Indelibility lifetime ordination provides an entree to the question of what sets the ordained apart In sum *Being Salt* offers an evangelical argument for a catholic practice and so goes to the heart of what Anglicanism understands itself to be **Psychology of Religion and Workplace Spirituality** Peter C.
