Managing Intercultural Conflict Effectively Stella Ting-Toomey,John G. Oetzel,2001-07-25 In this volume Ting Toomey and Oetzel accomplish two objectives to explain the culture based situational conflict model including the relationship among conflict ethnicity and culture and second integrate theory and practice in the discussion of interpersonal conflict in culture ethnic and gender contexts While the book is theoretically directed it is also a down to earth practical book that contains ample examples conflict dialogues and critical incidents Managing Intercultural Conflict Effectively helps to illustrate the complexity of intercultural conflict interactions and readers will gain a broad yet integrative perspective in assessing intercultural conflict situations The book is a multidisciplinary text that draws from the research work of a variety of disciplines such as cross cultural psychology social psychology sociology marital and family studies international management and communication **Contemporary Families** Scott Browning,Kay Pasley,2015-06-05 Written for researchers practitioners and students in advanced courses this book furthers our understanding of the complexity of contemporary families Seven types of families are the focus of this book based on the research available and the challenges they present for mental health professionals The family forms discussed are Adoption Foster care Interracial families Family

members with special needs with a focus on autism Families with LGBTQ members Grandparent headed Families Family members with chronic medical conditions The volume establishes an innovative format that fits the new age of evidence based practice Each chapter is written by a collaborative team of authors consisting of researchers and practitioners The former address the prevalence and characteristics of the family form and then present the research findings most relevant to clinical practice the latter use this as the foundation for their portion of the chapter in which they discuss strategies for good therapeutic intervention representing a true integration of science and practice Readers learn about relevant research findings regarding each family described as well as gain explicit instruction and case material for which to augment therapeutic efforts with these populations

Lessons from a Translingual Romance Jieun Kiaer, Hyejeong Ahn, 2023-07-12

Intercultural couples ICs often face unique challenges that go unnoticed This book delves into the experiences of 20 ICs living in Singapore and explores the complexity of their experiences through the lens of translanguage It shows how ICs mix language and culture in a borderless manner not only between spouses but also with their wider families Additionally the authors examine the significance of technological advancements which have transformed ICs experiences over the past decade In particular parents in law pose a significant challenge for Asian Western couples as the relationship with them in Asia differs from that in the West Each couple's unique shared culture and language transcends the borders of nation states requiring exchange sharing negotiation and adaptation This book provides an easy to read holistic exploration of the issues faced by ICs offering insight into overlooked aspects such as location in laws and technology

Race Mixing Renee Christine Romano, 2009-06-30

Marriage between blacks and whites is a longstanding and deeply ingrained taboo in American culture On the eve of World War II mixed race marriage was illegal in most states Yet sixty years later black white marriage is no longer illegal or a divisive political issue and the number of such couples and their mixed race children has risen dramatically Renee Romano explains how and why such marriages have gained acceptance and what this tells us about race relations in contemporary America The history of interracial marriage helps us understand the extent to which America has overcome its racist past and how much further we must go to achieve meaningful racial equality

Inappropriate Relationships Robin Goodwin, Duncan Cramer, 2005-04-11

In one of the great euphemisms of our time an embattled President Clinton admitted to an inappropriate relationship with his White House intern Monica Lewinsky But what exactly is an inappropriate relationship For that matter what is an appropriate relationship And how can an understanding of the rules of appropriateness help us understand personal relationships in our modern world Contributors to this book discuss the personal boundaries and taboos of modern relationships Together they examine the power struggles that can occur when individuals are involved in inappropriate relationships and the ways individuals in such a relationship may attempt to buffer themselves against sanctions or even embrace this relationship as an agent of social change Representing work from a range of disciplines this collection will appeal to scholars researchers students and professionals working on relationships issues in
