Copper Trails & Iron Rails Larry B. Massie,1999 **Copper Trails and Iron Rails** Larry B. Massie,1989 U.S. Geological Survey Professional Paper ,1984 **Myths and Mysteries of Michigan** Sally Barber,2011-10-18 This selection of 12 stories from Michigan s past explores some of the Great Lakes State s most compelling mysteries and debunks some of its most famous myths **Destination: White Pigeon Prairie 1827-1899** Kelley L. Taylor,2023-05-23 It was a time in history when news and rumors could travel no faster than a trotting horse yet Americans were keenly aware of the progress being made in the west By the time the Erie Canal was open for business wagons were ready to roll With babies and belongings in hand these soon to be pioneers bid a forever sort of goodbye to their homes and their loved ones If what they d heard was true good things awaited them in the newly rebranded Michigan Territory Particularly desirable was the White Pigeon Prairie known for its breath taking beauty and its plentiful resources of fresh water fertile soil and wild game This book outlines the development of a community and follows the lives of some of the most interesting families to pass through the area Whether they stayed for three years or for thirty they left footprints that should not be swept away The prairie that became the village was a vital part of Michigan s history that is little remembered today As much as I hope the reader is entertained I also hope to bring a renewed enthusiasm for exploring and preserving history wherever you may be

Michigan Myths and Legends Sally Barber,2020-12-01 From tales of pirate treasure to Jimmy Hoffa s mysterious disappearance Michigan Myths and Legends makes history fun and pulls back the curtain on some of the state s most fascinating and compelling stories Most people have heard about the Bermuda Triangle where ships and people disappear without a trace but few have heard about the equally deadly Great Lakes Triangle where one third of all unsolved sea and air disasters in America take place Night after night curious onlookers congregate on a remote hill near the Michigan Wisconsin border to watch for mysterious lights that rise out of the ground hover and then disappear Are the orbs merely optical phenomena created by headlights of passing cars Or are they spirits returning to haunt where their earthly bodies met their demise In the mid 1960s the number of reports to the US Air Force of UFO sightings spiked across the country Were people seeing unfamiliar technological innovations in aircraft Had the rising popularity of the new fangled television s sci fi programs sparked Americans imaginations Or were extraterrestrial beings actually responding to signals from newly constructed deep space radio transmitters **Tramway and Railway World** ,1895 **Walnut Pickles and Watermelon**

Cake Larry B. with delightful names like bubble and squeak sailor s duff and painted ladies The Massies also include recipes that acknowledge the influences of the various ethnic groups that peopled the state and added colorful specialties to Michigan s menu Long after the memory of the old country had faded Cornish pasties Dutch wine soup and hutspot and Scottish haggis continued to make Michigan eating a unique experience Larry and Priscilla Massie are a husband and wife team specializing in Michigan history Larry s publications include From Frontier Folk to Factory Smoke Voyages into Michigan s Past and Warm Friends and Wooden Shoes The Massies live in the Allegan State Forest in a century old school house filled with their thirty thousand volume research library and their collection of historic artifacts from Michigan s past
