THE LOVE OF ENGLAND ANDY J. JONES, 2017-11-16 Hi everyone I m Andrew J Jones I m sixty five years young and I ve lived in the Shropshire Countryside almost all my life I ve been writing poetry for about three years for other people to read My hobbies are also horseback riding and motorcycling I m from England and poetry is my first love Putting a Song on Top of It David W. Samuels, 2006-09 As in many Native American communities people on the San Carlos Apache reservation in southeastern Arizona have for centuries been exposed to contradictory pressures One set of expectations is about conversion and modernization spiritual linguistic cultural technological Another is about steadfast perseverance in the face of this cultural onslaught Within this contradictory context lies the question of what validates a sense of Apache identity For many people on the San Carlos reservation both the traditional calls of the Mountain Spirits and the hard edge of a country rock or reggae song can evoke the feeling of being Apache Using insights gained from both linguistic and musical practices in the community as well as from his own experience playing in an Apache country band David Samuels explores the complex expressive lives of these people to offer new ways of thinking about cultural identity Samuels analyzes how people on the reservation make productive use of popular culture forms to create and transform contemporary expressions of Apache cultural identity As Samuels learned some popular songs such as those by Bob Marley are reminiscent of history and bring about an alignment of past and present for the Apache listener Thinking about Geronimo for instance might mean one thing but putting a song on top of it results in a richer meaning He also proposes that the concept of the pun as both a cultural practice and a means of analysis helps us understand the ways in which San Carlos Apaches are able to make cultural symbols point in multiple directions at once Through these punning layered expressions people on the reservation express identities that resonate with the complicated social and political history of the Apache community This richly detailed study challenges essentialist notions of Native American tribal and ethnic identity by revealing the turbulent complexity of everyday life on the reservation Samuels s work is a multifaceted exploration of the complexities of sound of language and of the process of constructing and articulating identity in the twenty first century The New Rolling Stone Album Guide Nathan Brackett, Christian David Hoard, 2004 Publisher Description **Weddings, Music (for the Not So Rich and Famous), and Funerals** Judge Thomas Mitchell Shamburger, 2025-05-13 Todd Henry is the thread that ties this trilogy together I performed his wedding he performed in my band and I officiated his funeral All three of these endeavors require hours months and even years to make it look easy If it was easy everybody could do it **The Fort Bragg Cartel** Seth Harp, 2025-08-12 INSTANT NEW YORK TIMES BESTSELLER Propulsive The Washington Post Engrossing Truly shocking The New Republic The Fort Bragg Cartel opens like a nonfiction thriller and never lets up A page turning investigation into the dark side of our forever wars Steve Coll Pulitzer Prize winning author of Ghost Wars and Directorate S A groundbreaking investigation into a string of unsolved murders at America s premier special operations base and what the crimes reveal

about drug trafficking and impunity among elite soldiers in today's military. In December 2020 a deer hunter discovered two dead bodies that had been riddled with bullets and dumped in a forested corner of Fort Bragg North Carolina. One of the dead men Master Sergeant William Billy Lavigne was a member of Delta Force the most secretive black ops unit in the military. A deeply traumatized veteran of America's classified assassination program Lavigne had done more than a dozen deployments in his lengthy career was addicted to crack cocaine dealt drugs on base and had committed a series of violent crimes before he was mysteriously killed. The other victim Chief Warrant Officer Timothy Dumas was a quartermaster attached to the Special Forces who used his proximity to clandestine missions to steal guns and traffic drugs into the United States from abroad and had written a blackmail letter threatening to expose criminality in the special operations task force in Afghanistan. As soon as Seth Harp an Iraq war veteran and investigative reporter begins looking into the double murder he learns that there have been many more unexplained deaths at Fort Bragg recently other murders connected to drug trafficking in elite units and dozens of fatal overdoses. Drawing on declassified documents trial transcripts police records and hundreds of interviews Harp tells a scathing story of narco trafficking in the Special Forces drug conspiracies abetted by corrupt police blatant military cover ups American complicity in the Afghan heroin trade and the pernicious consequences of continuous war.
