

KAISER • THE CORAL

GEORG KAISER

THE CORAL

A PLAY IN FIVE ACTS

INTRODUCTION BY
VICTOR LANGE

Man's destructive force and the moral crisis it precipitates is the remarkably contemporary theme of this famous Expressionist drama

UNCAR

Coral A Play In Five Acts:

Coral, The Georg Kaiser,1977 The Coral, a Play in Five Acts. Introduced by Victor Lange Georg Kaiser,1963

Cyril's Success. A comedy in five acts, etc Henry James Byron,1870 **Away by Michael Gow** Valerie

Sutherland,2004 This book provides detailed information on the play Away by Michael Gow in the context of the specific requirements of the HSC Contents include Detailed summary and analysis of the play Physical Journeys focus area

Background information about Michael Gow and the context of Australia in the 1960s Analysis of characters and their physical journeys Summary of key themes and issues **Queen Mary. A Drama. ... Arranged for the Stage, in Four**

Acts. With Full Stage Directions. ... Edited by J. M. Kingdom Alfred Tennyson Baron Tennyson,1875 **The Dada**

Cyborg Matthew Biro,2009 In an era when technology biology culture are becoming ever more closely connected The Dada Cyborg explains how the cyborg as we know it today developed between 1918 1933 as German artists gave visual form to

their utopian hopes fantasies in a fearful response to World War I **A Game of Cards** L. J. Hollenius,2025-07-30 Reprint of the original first published in 1875 The Antigonos publishing house specialises in the publication of reprints of historical

books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **The Oxford Guide to Plays** Michael Patterson,2007 Anyone with an academic professional amateur or

recreational interest in the theatre is likely to want to look up details of particular plays sometimes perhaps to check on the author or on when they were first performed or perhaps to see how many characters they have and whether or not they

would be suitable for their theatre company or drama group to perform The Oxford Dictionary of Plays provides essential information on the 1000 best known best loved and most important plays in world theatre Each entry includes details of title

author date of composition date of first performance genre setting and the composition of the cast and more A synopsis of the plot and a brief commentary perhaps on the context of the play or the reasons for its enduring popularity follow Around 80 of

the most significant plays from The Oresteia to Waiting for Godot are dealt with in more detail Genres covered include burlesque comedy farce historical drama kabuki masque melodrama morality play mystery play No romantic comedy

tragicomedy satire and tragedy An index of characters enables the reader to locate favourite characters and trace the trajectory of major historical and legendary characters such as Iphigenia through world drama including in plays that do not

have entries in the Dictionary An index of playwrights with dates allows the reader to find all the plays included by a particular author **Bernard Shaw, Director** Bernard F. Dukore,2025-10-03 You see madam Bernard Shaw once wrote I

am not a dreamer who doesn't understand the practical exigencies of the stage The remark was an understatement Shaw not only understood the practical aspects of play production he had a great deal of experience with them as well For thirty years following the 1894 production of Arms and the Man which he directed Shaw staged virtually every production of his own

plays in London Directing plays he consistently maintained is as crucial a part of a playwright's profession as writing them

and the author he believed is the most desirable director of his own play Originally published in 1971 this first full length treatment of Shaw as director is important for several reasons first because Shaw was one of the few major playwrights who frequently directed his own works second because he was a good director and third because he is an early example of the modern idea of the director as guiding artist in the production of a play After an initial chapter examining Shaw s background and experiences in the theatre before he began to direct plays Dukore explores various aspects of Shavian directorial theory and practice He shows that while Shaw s basic concern was with the actor he was also involved in all the minute considerations that make up a successful production including pre rehearsal planning casting cutting and changing the script though Shaw forbade other directors to cut his plays he himself did so conducting rehearsals acting scenery lighting and costuming Throughout his analysis the author makes use of previously unpublished material particularly Shaw s rehearsal notes written in the auditorium when he staged his plays and letters to actors This is a readable book essential for anyone interested in Bernard Shaw s plays

Codex Rosmanicus Bret James Stewart,2017-11-09 The literature of the past fascinates the modern reader Part of this fascination is the paradox of the time and distance that creates a sense of the alien while remaining relevant in the present Some of the most interesting examples of such work can be found in the codices such as the Exeter Book that are frequently compilations of anonymous older texts Codex Rosmanicus The Book of Rosman is modelled after such works The codex is a collection of writings compiled by the fictitious narrator compiler Jaren the Traveller The lines between fiction and reality are nebulous as the book contains personages settings from the real world as well as those that are fictitious fantastical No attempt has been made to separate the two In keeping with the feel of an ancient compiled work the codex contains a mixture of literary forms poetry a play a dramatic tragedy and short stories A death knight an Ice Maiden and a collection of the denizens of faerie lurk within its pages

Gothic Shakespeares John Drakakis,Dale Townshend,2008-12 In Gothic Shakespeares Shakespeare is considered alongside major Gothic texts and writers from Horace Walpole Ann Radcliffe Matthew Lewis and Mary Shelley up to and including contemporary Gothic fiction and horror film This volume offers a highly original and truly provocative account of Gothic reformulations of Shakespeare and Shakespeare s significance to the Gothic
