Sensory Experience and the Metropolis on the Jacobean Stage (1603-1625) Hristomir A. Stanev, 2016-04-01 At the turn of the seventeenth century Hristomir Stanev argues ideas about the senses became part of a dramatic and literary tradition in England concerned with the impact of metropolitan culture Drawing upon an archive of early modern dramatic and prose writings and on recent interdisciplinary studies of sensory perception Stanev here investigates representations of the five senses in Jacobean plays in relationship to metropolitan environments He traces the significance of under examined concerns about urban life that emerge in micro histories of performance and engage the involuntary and sometimes pre-rational participation of the five senses With a dominant focus on sensation he argues further for drama's particular place in expanding the field of social perception around otherwise less tractable urban phenomena such as suburban formation environmental and noise pollution epidemic disease and the impact of built-in city space The study focuses on ideas about the senses on stage but also to the extent possible explores surviving accounts of the sensory nature of playhouses The chapters progress from the lower order of the senses taste and smell to the higher hearing and vision before considering the anomalous sense of touch in Platonic terms The plays considered include five city comedies a romance and two historical tragedies playwrights whose work is covered include Shakespeare Jonson Webster Fletcher Dekker and Middleton Ultimately Stanev highlights the instrumental role of sensory flux and instability in recognizing the uneasy manner in which the London writers and perhaps many of their contemporaries approached the rapidly evolving metropolitan environment during the reign of King James I

Doctoral dissertations will also be included. Each entry will provide a clear and detailed summary of an item's contents. For poems and plays based directly on classical sources like Antony and Cleopatra and The Rape of Lucrece virtually all significant scholarly work during the period covered will be annotated. For other works such as Hamlet any scholarship that deals with classical connotations will be annotated. Any other bibliographies used in the compiling of this volume will be described with emphasis on their value to a student of Shakespeare and the Classics.

Shakespeare on Screen : The Roman Plays , Is there a specificity to adapting a Roman play to the screen. This volume interrogates the ways directors and actors have filmed and performed the Shakespearean works known as the Roman plays which are in chronological order of writing: Titus Andronicus, Julius Caesar, Antony and Cleopatra, and Coriolanus. In the variety of plays and story lines common questions nevertheless arise. Is there such a thing as filmic Romanness? By exploring the different ways in which the Roman plays are re-interpreted in the light of Roman history, film history, and the Shakespearean tradition, the papers in this volume all take part in the ceaseless investigation of what the plays keep saying not only about our vision of the past but also about our perception of the present **Illegitimate Theatre in London, 1770-1840** Jane Moody, 2007-07-30. This book explores British illegitimate theatre towards the end of the eighteenth century.
