Cork A Pocket Guide

Thomas Kelt

Cork A Pocket Guide:

Cork Paul Cussen, 2004 This book is published to coincide with Cork's status as European City of Culture 2005 which promotes cultural co-operation across all of Europe. Some of the past Cities of Culture include Reykjavik, Santiago and Rotterdam. Aimed at tourists, visitors and residents, it includes listings for all budgets and tastes covering accommodation, restaurants, pubs and clubs, and a wide variety of activities from tourist trails, golf links, shopping, day trips and children's activities. It also includes interesting historic tidbits, places of historic and cultural interest, plus where to get a pint and a shave at the same time. Lastly, there is a listing of festivals such as the world famous jazz and film festivals, plus special European City of Culture events.

Hegde's Pocket Guide to Treatment in Speech-Language Pathology, Fifth Edition M. N. Hegde, 2025-07-03

Now in its fifth edition, Hegde's Pocket Guide to Treatment in Speech Language Pathology is a renowned resource and a classic in communication sciences and disorders. There is no other single book in speech language pathology (SLP) that provides step-by-step descriptions of treatment procedures for every disorder of communication. This revised Pocket Guide to Treatment blends the format of a dictionary with the contents of a textbook and clinical reference book. With this guide, both students and professional clinicians have at their fingertips not only an encyclopedic knowledge of the entire range of treatment concepts and approaches but also specific treatment procedures that can be readily applied in treating any disorder of communication in any child or adult. In addition, the guide offers treatment selection criteria to promote evidence-based clinical practice and points out the existing evidence for described treatment procedures. The guide also offers guidelines on treating all communication disorders in ethnoculturally diverse individuals. SLPs with this handy guide on their desk will have both a quick reference and a detailed resource on general and specific treatment procedures, including brief task-specific treatments for individuals of all ages. The information can be easily reviewed before clinical sessions or examinations as the guide's entries are arranged alphabetically. New to the Fifth Edition: Updated information on recently researched treatment procedures and approaches; Added descriptions of newer and multiple

treatment procedures in operational terms Methods by which treatment procedures are evaluated for their effectiveness
 Criteria for selecting an effective treatment procedure among available alternatives Streamlined and integrated entries for
 easier access to treatment procedures Key Features Current knowledge on treatment philosophies approaches and
