Corner Of Time:

By My Side Cassie Holley,2014-05 By My Side is my personal journey through the trials I ve faced with the Almighty God by my side the whole time Even the darkest times in my life had a lighthouse It took a lot of strength and courage to finally swim to safety I had to give up my own control so God could take the pain away When I finally hit bottom there was nowhere to go but up As I was searching for something to help me attempt to start my journey to recovery I noticed his hand reaching out He was always there but unfortunately it took me reaching the bottom to finally reach the lighthouse I hope this book helps others know that God is always there whether we acknowledge him or not He is just waiting for us to rely on him to take the weight of this world off of our shoulders God s love is indescribable It is unconditional It is safe It is eternal When I let God into my heart I was finally able to start healing the wounds this world threw at me By my side is the hope strength and love God provides during the earthy struggles we all face
