was the senior surviving Republican military commander from the period of those struggles By transcribing O Malley's notebooks where he recorded these interviews Cormac O Malley and Tim Horgan have made available previously unpublished first hand accounts of Kerry's role in the fight for independence The interviews provide an unrivalled insight into this important period of Irish history including controversial incidents such as the Ballyseedy massacre the battle at Headford Junction and executions by the Free State forces

The First Battle Otto J. Lehrack, 2004-06-19 A brief but well told and well researched account a good description of early U S Marine deployments to Vietnam HistoryNet The First Battle is a graphic account of the Vietnam War's first major clash On August 18 1965 regiment fought regiment on the Van Tuong Peninsula near the new Marine base at Chu Lai On the American side were three battalions of Marines under the command of Col Oscar Peatross a hero of two previous wars His opponent was the 1st Viet Cong Regiment commanded by Nguyen Dinh Trong a veteran of many fights against the French and the South Vietnamese Codenamed Operation Starlite this action was a resounding success for the Marines and its result was cause for great optimism about America's future in Vietnam Blood debt han tu in Vietnamese can mean revenge debt of honor or blood owed for blood spilled The blood debt came into Vietnamese usage early in the war with the United States With this battle the Johnson Administration began compiling its own blood debt this one to the American people The book also looks at the ongoing conflict between the US Army and the US Marines about the methodology of the Vietnam War With decades of experience with insurrection and rebellion the Marines were institutionally oriented to base the struggle on pacification of the population The Army on the other hand having largely trained to meet the Soviet Army on the plains of Germany opted for search and destroy missions against Communist main force units The history of the Vietnam War is littered with many what ifs This may be the biggest of them
