Armed Dangerous Praying With Boldness:

Armed and Dangerous Jane L. Fryar, 1997 *Armed and Dangerous* helps readers to see the the approachability of God and encourages them to join in the holy work of prayer in partnership with Him Readers will learn what it means to be part of God s spiritual army and a threat to the army of darkness The Prayer Book of Charles the Bold Antoine de Schryver, 2008 In January 1469 the accounts of Duke Charles the Bold of Burgundy reigned 1467-77 record a payment to the noted scribe Nicolas Spierinc for having written some prayers for my lord Seven months later the same accounts record a payment to the illuminator Lievin van Lathern for twenty five miniatures plus borders and decorated initials in the same manuscript In this study the late Antoine de Schryver an internationally renowned art historian presents a thoroughly researched and balanced argument suggesting that the documents refer to the exquisite prayer book of Charles the Bold which can now be found in the collection of the J Getty Museum book jacket **Bold Beliefs in Camouflage** Linda Carol Harms Case, 2013-01-02 Welcome to *Bold Beliefs in Camouflage* It is an extraordinary collection of personal and public prayers military prayers and quotations Scripture verses and stories hymns and testimonies that track the soul through keywords These keywords embrace core values that are promoted from each branch of the military And each of the 50 chapters is titled with a keyword that is relevant to the military such as battle courage enemy integrity and wounded Subtitles of each chapter are symbolic of traditional military practice Radio Transmission Battle Command Spiritual Intelligence An Appeal to Heaven At Ease and Battle Hymns Uniquely each Radio Transmission ends with the sacred oath and shortest military prayer So help me God Three biblical studies based on themes of victory spiritual warfare and standing firm are also included for further enrichment Reader friendly for any member of the Armed Forces it is especially helpful to Christian chaplains looking for a library of resources contained in one volume Any chapter choice would be an excellent guide for a military chapel service Both active duty and retired military personnel have found this resource to be devotional engaging and useful Patriotic civilians and military family members have also enjoyed reading this volume **Weapons to Stand Boldly and Win the Battle ~ Spiritual Warfare Demystified** Dee Brown, 2008-02 When it comes to demystifying spiritual warfare and standing boldly in victory no one has mentored me more than Dee Brown The principles of lasting spiritual growth and strength are encompassed in each life transforming chapter Pastor Diane Altman *Practical Life* **God's Heart to a Woman's Heart** Jane L. Fryar, 2003 The poems in this book grow out of 21 of God s marvelous promises each of them beginning with the words I will These promises and many more will encourage your heart as you read meditate and pray over the Scriptures included here Above all the Holy Spirit will work through his Word to fill your heart and life with increasing joy in Jesus deep love for you Bold Faith Ben Pugh, 2017-03-09 Bill Johnson Joyce Meyer Heidi Baker The fame of these names is evidence enough that though the controversies are less intense the Charismatic Movement is alive and well today It continues to attract thousands of adherents who find its vision of a supernatural lifestyle uniquely compelling Now for the first time all

that is most theologically innovative about the movement is synthesized into five distinct and original ideas These five brand new theologies have been created not by theologians but by practitioners who believed their concepts were inspired by the Spirit Inner Healing Shepherding Word of Faith Spiritual Warfare and Signs and Wonders Plenty of studies have been written by Pentecostal scholars about Pentecostal theology but these tend to group the very distinct approaches of Charismatics together with Classical Pentecostals Bold Faith aims to analyze and evaluate the ways in which practitioners within independent Charismatic networks especially in their Anglo American expressions have responded to the challenges of secular modernity

God's Promises to a Woman's Heart Jane L. Fryar, 2004 The poems in this little book grow out of 21 of God's marvelous promises each of them beginning with the words I will

Intended to help preachers prepare sermons, the commentary series is essentially biblical and evangelical catholic. This 19th century commentary has served as a standard reference for more than a century. Many early reviewers regarded Schaff's edition with his additional material as superior to the original. It has proven to be a complete and useful Commentary and continues to prove especially valuable to ministers. It contains critical annotations of the text and its translation and a threefold commentary: exegetical, doctrinal, and homiletical. Under these three heads, the text is viewed from every aspect.
