Gerston, Terry Christensen, 2015-03-26 In politics as in so many other areas California is unique The state s economy the largest in the nation and sixth largest in the world is given to dramatic swings Its legislative system is often defined by gridlock on matters large and small The use of the initiative one of the tools of direct democracy has become commonplace Over the years California has had more than its share of political turmoil But for pure melodrama nothing matches the 2003 campaign to recall the state s sitting governor Gray Davis Recall relates the latest and most dramatic chapter in the political history of the Golden State The authors are recognized experts on California politics and regular local television political analysts They provide fascinating coverage of the events leading up to Davis s replacement by bodybuilder turned actor turned politician Arnold Schwarzenegger describe the large and colorful cast of characters involved in the special election and demonstrate how California s one of a kind mix of political economic and social circumstances made it all possible

The Right Moment Matthew Dallek, 2004 Ronald Reagan s first great victory in the 1966 California governor s race is one of the pivotal stories of American political history a victory that seemed to come from nowhere and has long since confounded his critics Just four years earlier Governor Edmund Pat Brown was celebrated as the Giant Killer for his 1962 victory over Richard Nixon and his liberal agenda reigned supreme Yet in 1966 political neophyte Reagan trounced Brown by almost one million votes marking not only the coming of age of Reagan s new conservatism but also the first serious blow to modern liberalism Drawing on scores of oral histories thousands of archival documents and personal interviews with participants Dallek offers a gripping new portrait of the 1960s that is far more complicated than our collective memory of that decade **Weekly Compilation of Presidential Documents** ,1992 *Public Papers of the Presidents of the United States* United States.
