romance even eroticism plays a crucial part in illness **Anxious Pleasures** Jonathan Hall,1995 The following sections deal
with such themes as the relationship of wit to political and sexual anxiety the connection of the mobility of signs to an elusive

Seymour Ditchburn,195? **Vedānta, Bhakti, and Their Early Modern Sources** Rosina Pastore,2023-12-31 This volume
considers the Prabodhacandrodaya N aka c 1760 CE an allegorical drama composed by Brajv s d s in Brajbh It contributes to
the study of vernacular n akas with its first complete English translation Moreover the critical analysis shows that the
foundational Sanskrit texts for Ved nta and those for Bhakti play a part in the Prabodhacandrodaya N aka s philosophical and
religious edifice At the same time the investigation demonstrates that Brajv s d s expresses several philosophical ideas by
adaptively reusing the R mcaritm nas by Tuls d s c 1574 CE Brajv s d s composes a doh by combining one line of his invention
with a line from the M nas This method is employed throughout all the personified metaphysical concepts That Brajv s not
only read Bhakti but also Ved nta through the R mcaritm nas highlights the philosophical and literary creativity in 18th c
North India It points to the necessity to rethink the sources of Ved nta philosophies by including works non conventional for
language and genre because not in Sanskrit and not stras Such sources may not be original in their contribution per se but
are essential to understand how early modern philosophy was done conceived and transmitted Kāma's Flowers Valerie
Ritter,2011-09-01 Kama s Flowers documents the transformation of Hindi poetry during the crucial period of 1885 1925 As
Hindi was becoming a national language and Indian nationalism was emerging Hindi authors articulated a North Indian
version of modernity by reenvisioning nature While their writing has previously been seen as an imitation of European
Romanticism Valerie Ritter shows its unique and particular function in North India Description of the natural world recalled
traditional poetics particularly erotic and devotional poetics but was now used to address sociopolitical concerns as authors
created literature to advocate for a national character and to address a growing audience of female readers Examining Hindi
classics translations from English poetry literary criticism and little known popular works Ritter combines translations with

fresh literary analysis to show the pivotal role of nature in how modernity was understood Bringing a new body of literature to English language readers Kama s Flowers also reveals the origins of an influential visual culture that resonates today in Bollywood cinema
