Battles of Ancient China Chris Peers,2013-10-09 In the field of military history as in so many others the Chinese have often been both admired and seen as something utterly mysterious and inscrutable Chris Peers illuminates the evolution of the military art in China with reference to ten battles spanning more than 2 000 years from the Battle of Mu in 1027BC to the Fall of Chung Tu in 1215 AD Selected both for their historical importance and for the light which they shed on weapons and tactics the author uses these examples to discuss the many myths still current in the West about ancient Chinese warfare for example that the Chinese were an unwarlike people always preferring subterfuge over the use of force or that they were essentially defensive minded relying on works such as the Great Wall On the other hand a recent reaction to this dismissive attitude portrays China as technologically far in advance of the West Battles of Ancient China shows that none of these stereotypes are accurate Comparison with contemporary Western practice is a major theme of the book which adds a new perspective not developed in the author s previous works on the subject      **British Books in Print** ,1985      **Shooter's**

**Bible Guide to Bowhunting** Todd A. Kuhn,2013-08-01 From the most trusted name in guns and ammunition comes this ultimate reference on bowhunting The Shooter s Bible Guide to Bowhunting offers everything you need to know about the sport and its gear from its origin as a means of survival to modern gear Compound bows and crossbows have undergone an explosive rise in popularity in recent years due in part Dr Todd A Kuhn explains to complex socioeconomic environmental and biological factors As expansive tracts of land vanish many hunters can no longer pursue game with high powered rifles That plus vast improvements in archery gear has hunters flocking to compound bows and crossbows as alternatives In the Shooter s Bible Guide to Bowhunting Dr Kuhn examines all things bowhunting and archery Topics covered include Compound recurve and traditional bows Arrows and broadheads Sights and rests Releases and triggers Quivers Tree stands blinds decoys and other popular gear This exhaustive desk reference provides a never before seen look into the history and engineering of archery theories and trends in game discipline and of course an exhaustive catalog of archery equipment both new and traditional      **The Patterns of War Through the Eighteenth Century** Larry H. Addington,1990 a concise highly readable survey of pre 19th century warfare Choice A remarkable tour de force covering a vast span of time different cultures warfare by land and sea Gunther Rothenberg A history of war and warfare from ancient to early modern times Larry Addington s new book completes his survey of the patterns of war in the Western world It explains not only what happened in warfare but why war in a certain time and culture took on distinct and recognizable patterns      Civil-Military Change in China Elites,

Institutes, and Ideas after the 16th Party Congress Larry Wortzel, In November 2002 the Chinese Communist Party held its 16th Congress and formally initiated a sweeping turnover of senior leaders in both the Party and the People s Liberation Army PLA The meeting heralded not merely a new set of personalities in positions of political and military power but also the emergence of a new generation of leaders Who are these individuals and what does their rise mean for the future of China

and its military The group of China specialists who have written this book have applied their research talents intelligence and hands on experience to clarify and explain the most important issues of the day in China China obviously matters to the United States because of its size its spectacular patterns of growth its profound problems linked to rapid growth and its military intentions These specialists have avoided the diseases of bias demagoguery predispositions and showmanship which infect so many of the analyses of China Rather they have examined the facts and the trends to explain the divisions and cohesions in the Chinese leadership and their potential significance to the United States and the rest of the world These annual conferences have a long continuity stretching back to the early 1990s Hence there is a common database for the books produced each year The writers revisit major problems in China s development particularly in the military sphere They also examine how Chinese policies have evolved over the years and how important the United States has been in influencing China s strategy What for instance will the emerging leadership with its factious differences do about Taiwan and North Korea The conference took place at the Carlisle Barracks in September 19 21 2003 and was sponsored by the American Enterprise Institute the Heritage Foundation and the Army War College The exchanges were frank the atmosphere was filled with camaraderie and tension
