Army Records For Family Historians:

Army Records for Family Historians Simon Fowler, William Spencer, 1998 A guide to the most heavily used records in the Public Record Office this revised edition offers clear and comprehensive advice on tracing army ancestors from the 17th to the 20th centuries It now includes detailed case studies and full coverage of medals and awards *Army Records* William Spencer, 2008-04-04 Concerns the records in the Army of Great Britain [First World War Army Service Records](#) William Spencer, 2008-07-14 The National Archives celebrated First World War holdings include personal files of officers and other ranks campaign medals gallantry and meritorious service awards courts martial and casualty lists Its remarkable collection has records of Dominion forces and the Indian Army the WAAC the Royal Flying Corps and RAF as well as auxiliary and nursing services Over 10 000 individual unit war diaries cover all operational theatres of the British Army while original trench maps illustrates areas from the Western Front to Salonica Gallipoli to Mesopotamia Palestine to Italy **Easy Family History** David Annal, 2013-06-30 Easy Family History takes the stress out of family history research It guides readers through the most important information sources for family historians in the UK including family documents official records archives and websites From what to expect on a birth cert to how to use newspaper archives each chapter focuses on an area of research and takes you through the basics This book focuses on UK records and archives Fully updated this new edition includes information on recently released archives such as the 1911 Census and recently digitised military records and archives that are now online This book features screenshots of useful websites and images of sample archival documents throughout Author David Annal draws on his expertise and experience as a professional family history researcher to help budding family historians to get started and keep their findings in order and in perspective **Air Force Records** William Spencer, 2008-07-14 Concerns researching Air Force records of Great Britain *Using Army Records* Great Britain. Public Record Office, 2000 Written by an expert genealogist this book guides beginners and experienced family historians alike through often complex historical records [Genealogical Research in England's Public Record Office](#) Judith P. Reid, Simon Fowler, 2000 **Tracing Your Scottish Family History on the Internet** Chris Paton, 2020-04-30 From search engines and databases to DNA platforms discover how to easily learn more about your Scottish ancestry online with this helpful guide Scotland is a land with a proud and centuries long history that far predates its membership of Great Britain and the United Kingdom Today in the 21st century it is also a land that has done much to make its historical records accessible to help those with Caledonian ancestry trace their roots back to earlier times and a world long past In *Tracing Scottish Family History on the Internet* Chris Paton expertly guides the family historian through the many Scottish records offerings available but also cautions the reader that not every record is online providing detailed advice on how to use web based finding aids to locate further material across the country and beyond He also examines social networking and the many DNA platforms that are currently further revolutionizing online Scottish research From the Scottish Government websites offering access to our most

important national records to the holdings of local archives libraries family history societies and online vendors Chris Paton takes the reader across Scotland from the Highlands and Islands through the Central Belt and the Lowlands and across the diaspora to explore the various flavors of Scottishness that have bound us together as a nation for so long **Family Tree Detective** Colin D. Rogers,1997 Welcomed worldwide on its first publication this practical and lively guide for the amateur genealogist has now been fully revised and updated The new material includes a section on medieval genealogy which targets the increasing numbers of family historians who have reached back as far as the sixteenth century and wish to go further Heraldry is introduced for the first time There is detail on the location and genealogical content of military records and the records of Poor Law Unions and their workhouses Details are also included of the latest changes to the location and cost of civil registration sources A problem solving manual rather than a simple how to guide The family tree detective explains what to do when the usual methods fail and provides invaluable assistance for those without access to London s vast resources of genealogical information [Air Force Records for Family Historians](#) William Spencer,2000 Explains how to use the wealth of availrecords to trace the careers of both officers and other ranks *The Records of the War Office and Related Departments, 1660-1964* Michael Roper,1998 This guide covers the period from the Restoration of Charles II to the establishment of the Ministry of Defence in 1964 It includes the records of the Board of Ordnance military intelligence and military aviation [The National Archives](#) Stella Colwell,2006 A first timer s guide to The National Archives and many of the key sources for family history research Sources include military service records death duty records and wills before 1858 Take a guided tour with expert genealogist Stella Colwell who shows you how to access the key records and how to interpret them She covers all the new online services including the online catalogue containing over 10 million document references the online document ordering system Documents online whill allows users to download digital images of public records

The Family History Web Directory Jonathan Scott,2015-10-30 Jonathan Scott s Family History Web Directory is an information packed reference guide that distils the best of the internet into one easy to use format Themed sections cover different topics from getting started to specific occupations and there is an index reproducing all the websites in A Z order His handbook is a vital source for less experienced researchers and a handy aide memoire for more seasoned campaigners Web addresses are listed by topic then in order of importance and usefulness An extraordinary range of sites that will interest family historians is included from records of births and deaths tax crime and religion to military records and records of work and occupations Also featured are sites that give information about archives blogs and forums social networking and sharing research The internet can be an overwhelming place for the genealogist Jonathan Scott s book provides readers with online shortcuts tips for getting the best from well known websites plus the details of all kinds of lesser known and hard to find sources [Tracing Your Army Ancestors](#) Simon Fowler,2013-03-19 This well known author has produced yet another excellent guide for researching ancestors who have served in the Army The book is an ideal text for reference when

investigating army personnel Military Archive Research comA splendid publication with a great deal of valuable information Michael Brooker Guild of Battlefield GuidesWhether you are interested in the career of an individual officer researching medals awarded to a soldier or just want to know more about a particular battle or campaign this book will point you in the right direction Assuming the reader has no prior knowledge of the British Army its history or organization Simon Fowler explains what records survive where they are to be found and how they can help you in your research He shows how to make the best use of the increasing number of related resources to be found online and he pays particular attention to explaining the records and the reasons behind their creation as this information can be very important in understanding how these documents can help your research

Tracing Your Ancestors' Childhood Sue Wilkes,2013-09-19 Every family historian has child ancestors and childhood experiences and records are an essential aspect of research into a past life That is why Sue Wilkes s detailed and accessible handbook is such a useful guide for anyone who is trying to find out about the early years of their forbears In Tracing Your Ancestors Childhood she explores the history of childhood and education and brings together information about relevant records and archives into one handy reference guide She outlines ancestors childhood experiences at home school work and in institutions especially during Victorian times In the opening chapter she reviews basic family history sources then she discusses records of childhood in detail Specialist archives published sources recommended reading and other resources and documents are covered She focuses primarily on England and Wales and covers the years 1750 1950 The second part of her book is a directory of archives and specialist repositories Databases of children s societies useful genealogy websites and places to visit which bring the social history of childhood to life are all included

The Family Records Centre Stella Colwell,2002 The Family Records Centre FRC in London part of the Public Record Office contains a wealth of genealogical resources used by family historians Illustrated with examples of many of these documents this book provides an introduction to using the FRC and gives detailed practical advice on how to access and research information including using indexes to civil registers of births marriages and deaths wills death duty registers divorce indexes census returns and a wide range of family history databases It also presents two case studies to show the reader how to use the most popular sources to trace family history and produce a family tree

The Everything Guide to Online Genealogy Kimberly Powell,2014-01-08 Trace your roots share your history and create a family tree [Army Service Records of the First World War](#) William Spencer,2001-08-31 This guide deserves to become the standard work on the subject Family History Monthly

The Source Loretto Dennis Szucs,Sandra Hargreaves Luebking,2006 Genealogists and other historical researchers have valued the first two editions of this work often referred to as the genealogist s bible The new edition continues that tradition Intended as a handbook and a guide to selecting locating and using appropriate primary and secondary resources The Source also functions as an instructional tool for novice genealogists and a refresher course for experienced researchers More than 30 experts in this field genealogists historians librarians and archivists prepared the 20

signed chapters which are well written easy to read and include many helpful hints for getting the most out of whatever information is acquired Each chapter ends with an extensive bibliography and is further enriched by tables black and white illustrations and examples of documents Eight appendixes include the expected contact information for groups and institutions that persons studying genealogy and history need to find *Tracing Your Caribbean Ancestors* Guy Grannum, 2013-03-11 This book is ideal for anyone who reaserching their Caribbean family history The National Archives and beyond The National Archives holds records for many people who lived in British West Indian colonies such as emigrants plantation owners slaves soldiers sailors and transported criminals The Archives also hold the colonial office records for the British West Indies This includes state correspondence to and from the colonies and passenger lists *Tracing Your Caribbean Ancestors* also shows readers how to use family history sources and genealogy websites and indexes beyond The National Archives Fully updated and revised this new edition covers recent developments in Caribbean archives including details of newly released information and archives that are now available online This book outlines the primary research sources for those tracing their Caribbean ancestry and describes details of access to archives further reading useful websites and how to find and accurately search family history sources As Britain does not hold locally created records of its dependencies such as church records this book doubles as a gateway to the local history sources throughout the Caribbean that remain in each country s archives and register office This book will be of use to anyone researching family history in British Caribbean countries of Anguilla Antigua Bahamas Barbados British Virgin Islands Cayman Islands Dominica Grenada Jamaica Montserrat St Kitts and Nevis St Lucia St Vincent Trinidad and Tobago and the Turks and Caicos Islands as well as Guyana Belize and Bermuda
