South by South East Kelly Wilson, 2022-12-08 Set against the backdrop of catastrophic climate change later this century, this necessitates the three central characters to flee their homes in search of a better life in the cooler Antarctica region. Their separate journeys there are traumatic and violent. Carla is an independent crop dusting pilot from a humble background and mother to a mixed race daughter, Sabine. She is forced to kill in self defence to survive before embarking on her polar escape from a society disintegrating into chaos around her. Joe, by contrast, is the privileged son of a wealthy Silicon Valley hot shot with the means and foresight to construct an emergency bunker in the Antarctic as a precautionary measure. Forced to relocate there, his travels are also beset by formidable obstacles. The three finally meet up and bond on the Antarctic Peninsula where life is initially idyllic. Their new lives are soon turned upside down by the arrival of a ship whose desperate crew have turned cannibal. In a brutal finale, Carla, Joe, and Sabine must fight for their lives against these ghouls. Carla celebrates their victory by her sexual conquest of Joe, sealing their union. *Necessary Dark* Robert
