Arshile Gorky:

Rethinking Arshile Gorky, A reexamination of the art of Arshile Gorky 1904 1948 and an exploration of his role in the development of modern abstraction in America **Arshile Gorky** Arshile Gorky, Gerardo Delgado, Fundació Caixa de Pensions, 1990 Born on the shores of Armenia s Lake Van Arshile Gorky immigrated to the United States in 1920 and went on to become one of the greatest American painters of the twentieth century Gorky was both a forefather to and a seminal figure in the Abstract Expressionist movement years before Pollock and Motherwell he found ways to extend Surrealist dream imagery into a uniquely American abstraction simply by pursuing Surrealism s insistence on the authenticity of interior experience freely transcribed on canvas also the logic of much New York Abstract Expressionism For Gorky this was no easy endeavor critic Meyer Schapiro called him a fervent scrutinizer of paintings an ability corroborated by his close friend Willem de Kooning whose own painting owes much to Gorky for some mysterious reason he knew lots more about painting and art He had an extraordinary gift for hitting the nail on the head Although Gorky s life was cut short by his suicide in 1948 the tremendously influential legacy that he left behind has secured his reputation as the last of the great Surrealist painters and one of the first Abstract Expressionists Here reproductions of key works are accompanied by Gorky s own writings and a collection of interviews *Arshile Gorky* Melvin P. Lader, Arshile Gorky, 1985 Arshile Gorky was an unabashedly ambitious artist apprenticing himself to a series of masters most notably C zanne and Picasso in order to become at last the master of his own personal style His transformation of traditions into an utterly untraditional approach in turn inspired the Abstract Expressionists who achieved a fame that Gorky died too young to enjoy Dr Melvin P Lader chronicles the artist s life from his bittersweet youth in Armenia through his precocious development as an artist and teacher to that long purposeful evolution of his mature style Publisher s description **Arshile Gorky** William Chapin Seitz, Museum of Modern Art (New York, N.Y.), 1962 *Arshile Gorky* Arshile Gorky, Tate Gallery, 1965 *From a High Place* Matthew Spender, 2000 One of the finest biographies of an artist I have ever read John Ashbery *Arshile Gorky* Dore Ashton, Arshile Gorky, Michael Auping, Matthew Spender, 1995 Michael Auping s valuable text provides an introduction to the life and art of Arshile Gorky as well as an insightful consideration of the grand psychological landscape *The Liver is the Cock s Comb* 1944 a work pivotal to the development of Gorky s style Dore Ashton writes a lucid account of this artist who tends to resist classification contributing an art historical overview of Gorky s appreciation of such modern innovators of abstraction and Surrealism as Miro and Kandinsky Matthew Spender provides biographical details of Gorky s early years while a selection of Gorky s personal letters further sheds an intimate light on the artist and his achievements **Arshile Gorky** Harry Rand, 2023-12-22 Harry Rand s critically acclaimed study of Gorky s brief troubled life and artistic development is finally available in paperback All of Gorky s major themes are touched on and his major paintings dealt with in some depth with attention to the details of the individual works and frequently to the drawings and preliminary studies from which the paintings evolved The

discussion centers on the images that united the pieces as they develop from work to work Rand explores Gorky as well as possible sources and their relationship to the body of Gorky's art A concluding chapter reassesses Gorky's impact on the New York School in light of a new understanding of his aims and methods Through close study of Gorky's oeuvre the author deciphers an iconography revealing the unexpected and systematic use of explicit ideas and symbols as well as commonplace objects settings and personas from the artist's life Harry Rand's critically acclaimed study of Gorky's brief troubled life and artistic development is finally available in paperback All of Gorky's major themes are touched on and his major paintings dealt with in some depth with attention to the details *Arshile Gorky* Hayden Herrera, 2003-01-01 Arshile Gorky traces the progress from apprentice to master of the man Andre Breton called the most important painter in American history
