Why History? Keith Jenkins,2005-11-18 Why History is an introduction to the issue of history and ethics Designed to provoke discussion the book asks whether a good knowledge and understanding of the past is a good thing to have and if so why In the context of postmodern times Why History suggests that the goal of learning lessons from the past is actually learning lessons from stories written by historians and others If the past as history has no foundation can anything ethical be gained from history Why History presents liberating challenges to history and ethics proposing that we have reached an emancipatory moment which is well beyond the end of history **Viral Rhetoric** Robert Samuels,2021-05-22 This book looks at the representation of viruses in rhetoric politics and popular culture In utilizing Jean Baudrillard s concept of virality it examines what it means to use viruses as a metaphor For instance what is the effect of saying that a video has gone viral Does this use of biology to explain culture mean that our societies are determined by biological forces Moreover does the rhetoric of viral culture display a fundamental insensitivity towards people who are actually suffering from viruses A key defining aspect of this mode of persuasion is the notion that due to the open nature of our social and cerebral networks we are prone to being infected by uncontrollable external forces Drawing from the work of Freud Lacan Laclau Baudrillard and Zizek it examines the representation of viruses in politics psychology media studies and medical discourse The book will help readers understand the potentially destructive nature of how viruses are represented in popular media and politics how this
