Sliabh Luachra is especially well known for its fiddle tunes and itinerant fiddle teachers. When speaking of this area's fiddle music, some describe a special lilt or backbeat or they talk about the special role of set dances, but the most often expressed quality relates to the frequent use of slides and polkas. This book features transcriptions of 107 tunes as played by three of the region's most distinguished fiddlers: Pdraig O Keeffe, Denis Murphy, and Connie O Connell. Each fiddler is profiled, followed by a collection of meticulously transcribed tunes and annotations. An accompanying CD includes 30 of these tunes played solo by Connie O Connell. *The Masked Ball* Giuseppe Verdi, 1891 **Singing the Classical, Voicing the Modern** Amanda J. Weidman, 2006-07-18. McAulay, 2024-10-30. Late Victorian Scotland had a flourishing music publishing trade evidenced by the survival of a plethora of vocal scores and dance tune books, and whether informing us what people actually sang and played at home, danced to, or enjoyed in choirs, or reminding us of the impact of emigration from Britain for both emigrants and their families left behind, examining this neglected repertoire provides an insight into Scottish musical culture and is a valuable addition to the broader social history of Scotland. The decline of the music trade by the mid twentieth century is attributable to various factors, some external, but others due to the conservative and perhaps somewhat parochial nature of the publishers' output. What survives bears witness to the importance of domestic and amateur music making in ordinary lives between 1880 and 1950. Much of the music is now little more than a historical artefact. Nonetheless, Karen E McAulay shows that the nature of the music, the song and fiddle tune books, contents, the paratext around the collections, its packaging, marketing, and dissemination all document the social history of an era whose everyday music has often been dismissed as not significant or indeed properly old enough to merit consideration. The book will be valuable for academics as well as folk musicians and those interested in the social and musical history of Scotland and the British Isles. **New-York Musical Review and Gazette**, 1855 **The Fiddler's Almanac** Ryan J. Thomson, 1985. Includes a wealth of fiddling lore and illustrations, a guide to buying a fiddle and bow, tips on learning and playing the fiddle, over 800 listings of books, records, fiddling and bluegrass organizations, fiddling schools and camps, violin making supplies, films, etc. information about fiddle contests. **"The" Illustrated London News**, 1860 Catalog Sears, Roebuck and Company, 1968
