A NEW TRANSLATION
WITH
INTRODUCTION AND COMMENTARY BY
JEROME H. NEYREY

Peter And Jude A New Translation With Introduction And Commentary

Thomas J. Parker

Peter And Jude A New Translation With Introduction And Commentary:

2 Peter, Jude Jerome H. Neyrey, 1993 2 Peter, Jude Jerome Neyrey, 1993-10 Jerome H. Neyrey gives us a thoroughly up to date and comprehensive study of two of the most obscure books of the New Testament. Written after the death of Jesus and his Apostles, the Epistles of 2 Peter and Jude offer a glimpse into the turbulent life of the early Christian communities. Neyrey's fascinating study not only provides an entirely new translation of the two texts but also stirring commentary that takes the reader inside groups located at the very edges of Christianity in contact with the wider Roman world and Greek culture of the day. Neyrey builds upon the excellent scholarship of the past and introduces into the discussion factors that were rarely understood or considered in earlier times: the social, political, and economic setting in which the New Testament Epistles were written and read; the church as a community within the larger context of the vast Roman Empire of the late first and early second centuries. And while these letters are often considered peripheral or marginal to the New Testament, they nevertheless reveal and interpret one of the murkier eras in the life of the church. They reflect the hard times and difficult circumstances of the faithful beset by treacherous comrades within and malevolent enemies without. But all the while these documents express the constancy and commitment of those who found salvation and the renewal of life in the one Lord Jesus Christ.

An Introduction to the Catholic Epistles Darian Lockett, 2011-11-17 This book introduces the Epistles and discusses the different interpretive approaches which have been used to gain a clearer understanding of them. An introductory chapter defines the Epistles and describes the history of their canonization; following chapters are devoted to each of the texts, with each chapter including 1. historical/cultural background, 2. the social/scientific context, 3. social/rhetorical purposes, 4. narrative/discourse, 5. postcolonial, and 6. feminist insights, and finally 7. theological perspectives. At the end of each chapter there are suggestions for further reading and a list of reflection questions. Several chapters include a section or two considering a particular interpretive issue especially relevant to the particular text. After taking up each text, Lockett considers again whether the Epistles are a unified whole or to be heard as individual voices. Here the book interacts with some of the ideas of Rob Wall and David Nienhuis regarding the various thematic/theological connections running through the texts. A final chapter takes up the relationship between the Pauline Epistles and the Catholic Epistles within the New Testament.

The Cradle, the Cross, and the Crown Andreas J. Köstenberger, Leonard Scott Kellum, Charles Leland Quarles, 2009 An all new comprehensive introduction to the New Testament paying close attention to the historical, literary, and theological dimensions of the biblical text.

Jude: A Theological Commentary Shelby Pritchard, 2025-05-01 The Epistle of Jude was written to a church infiltrated by compromisers, false teachers, and corrupt influencers. In that critical hour, Jude called upon dramatic and now somewhat forgotten stories of God's judgment to challenge his church to fear the Lord and turn from their sin back to God's eternal and unfailing love. In this theological commentary, we explore the themes, structure, and history behind the book as we seek to draw out the eternal truths that God has given us here. Made primarily for teachers and pastors, these insights

are still accessible to others making it a perfect resource for all Christians serious about studying their faith The Unseen Realm Heiser, Michael S.,2015-09-01 In The Unseen Realm Dr Michael Heiser examines the ancient context of Scripture explaining how its supernatural worldview can help us grow in our understanding of God He illuminates intriguing and amazing passages of the Bible that have been hiding in plain sight You ll find yourself engaged in an enthusiastic pursuit of the truth resulting in a new appreciation for God s Word Why wasn t Eve surprised when the serpent spoke to her How did descendants of the Nephilim survive the flood Why did Jacob fuse Yahweh and his Angel together in his prayer Who are the assembly of divine beings that God presides over In what way do those beings participate in God s decisions Why do Peter and Jude promote belief in imprisoned spirits Why does Paul describe evil spirits in terms of geographical rulership Who are the glorious ones that even angels dare not rebuke After reading this book you may never read your Bible the same way again Endorsements There is a world referred to in the Scripture that is quite unseen but also quite present and active Michael Heiser s The Unseen Realm seeks to unmask this world Heiser shows how important it is to understand this world and appreciate how its contribution helps to make sense of Scripture The book is clear and well done treating many ideas and themes that often go unseen themselves With this book such themes will no longer be neglected so read it and discover a new realm for reflection about what Scripture teaches Darrell L Bock Executive Director for Cultural Engagement Senior Research Professor of New Testament Studies Howard G Hendricks Center for Christian Leadership and Cultural Engagement How was it possible that I had never seen that before Dr Heiser s survey of the complex reality of the supernatural world as the Scriptures portray it covers a subject that is strangely sidestepped No one is going to agree with everything in his book but the subject deserves careful study and so does this book John Goldingay David Allan Hubbard Professor of Old Testament School of Theology Fuller Theological Seminary This is a big book in the best sense of the term It is big in its scope and in its depth of analysis Michael Heiser is a scholar who knows Scripture intimately in its ancient cultural context All scholars clergy and laypeople who read this profound and accessible book will grow in their understanding of both the Old and New Testaments particularly as their eyes are opened to the Bible s unseen world Tremper Longman III Robert H Gundry Professor of Biblical Studies Westmont College **New Testament Philology** Melton Bennett Winstead,2018-04-17 This work is dedicated to David Alan Black a New Testament scholar who has contributed to the love of the Koine Greek language as it pertains to New Testament studies in numerous ways as a professor author missionary and editor The goal of this book is to demonstrate for students the value of continued research in the Greek New Testament The essays demonstrate how research is currently being done utilizing such tools as grammatical studies discourse analysis textual criticism verbal aspect and other linguistic analyses The chapters include studies on exegesis verbal aspect prepositional compounds relevance theory and scripture memorization This book demonstrates the explanatory power of an in depth usage of New Testament Greek It is recommended for those who have had at least one year

of Greek *James and Jude (Paideia: Commentaries on the New Testament)* John Painter, David A. deSilva, 2012-11-15 In this addition to the well received Paideia series two respected New Testament scholars offer a practical commentary on James and Jude that is conversant with contemporary scholarship draws on ancient backgrounds and attends to the theological nature of the texts This commentary like each in the projected eighteen volume series proceeds by sense units rather than word by word or verse by verse Paideia commentaries explore how New Testament texts form Christian readers by attending to the ancient narrative and rhetorical strategies the text employs showing how the text shapes theological convictions and moral habits commenting on the final canonical form of each New Testament book focusing on the cultural literary and theological settings of the text making judicious use of maps photos and sidebars in a reader friendly format Students pastors and other readers will appreciate the historical literary and theological insight that John Painter and David deSilva offer in interpreting James and Jude

Faithful to the End Terry L. Wilder, J. Daryl Charles, Kendell H. Easley, 2007 Faithful to the End provides fresh classroom ready introduction to Hebrews through Revelation emphasizing each of these New Testament book s theme of perseverance in the faith

The New Testament in Context V. George Shillington, 2009-03-15 A comprehensive and essential introductory textbook on the New Testament by an eminent professor in the field

Anatomy of the New Testament, 8th Edition C. Clifton Black, D. Moody Smith, Robert A. Spivey, 2019-05-28 Now in its 8th edition Anatomy of the New Testament is one of the most trust worthy and enduring introductory textbooks of its kind Its authors bring literary and historical approaches to the New Testament together offering a comprehensive and accessible approach that appeals to students at all levels Visually appealing and well designed this compact edition has been designed for today s student and is illustrated with engaging images refreshed maps and updated bibliographies that make the textbook enjoyable to read and easy to teach The stand out pedagogical features have been updated as well updated for new advances in biblical scholarship and the needs of today s student Have You Learned it Offering questions for analysis and reflection What Do They Mean Presenting definitions for key terms to enhance student comprehension and critical thinking

Abandoned to Lust Jennifer Wright Knust, 2006 Introduction Who s on top sex talk power and resistance Sexual slander and ancient invective Paul the slaves of desire the the saints of God Sexual vice and Christian Apologia The false teachers of the end time Illicit sex wicked desire and the demonized heretic

Hesed and the New Testament Karen Nelson, 2023-05-24 In the Hebrew Bible esed steadfast love loyalty devotion denotes an important concept that is relevant to interpersonal relationships in every generation In this book Karen Nelson investigates New Testament engagement with that concept and the exegetical value of recognizing such engagement This investigation employs an original hybrid of two methodological approaches intertextuality used to consider how New Testament authors appropriate texts that evoke esed or s d and categorization used to analyze and compare instances of the categories sd and syd within the Hebrew Bible and the New Testament Nelson s work challenges assertions that the New Testament equivalent of esed is agap love or charis grace

Rather she contends that *esed* and *s d* are more likely to be evoked by the terms with which they are most often rendered in the Septuagint *eleos* and *hosios* respectively Nelson rereads selected New Testament pericopes in light of *esed* highlighting points about ongoing devotion to kinship and covenantal relationships often overlooked in those contexts and showing how New Testament authors and figures utilize the *esed* tradition to critique the contemporary socioreligious situation and encourage belief enduring commitment and appropriately changed lifestyles Addressing a topic that spans the Hebrew Bible and the New Testament this study will be of value to biblical scholars especially those who are interested in semantics

Interpreting the Truth L. William Countryman, 2003-10-01 Using the model of reading other people's mail L. William Countryman proposes that we read the letters of the New Testament as an ongoing conversation between the text itself and the modern interpreter and the community

Hebrews - Revelation David E. Garland, 2011-01-04 Continuing a Gold Medallion Award winning legacy the completely revised Expositor's Bible Commentary puts world class biblical scholarship in your hands A staple for students teachers and pastors worldwide The Expositor's Bible Commentary EBC offers comprehensive yet succinct commentary from scholars committed to the authority of the Holy Scriptures The EBC uses the New International Version of the Bible but the contributors work from the original Hebrew and Greek languages and refer to other translations when useful Each section of the commentary includes An introduction background information a short bibliography and an outline An overview of Scripture to illuminate the big picture The complete NIV text Extensive commentary Notes on textual questions key words and concepts Reflections to give expanded thoughts on important issues The series features 56 contributors who Believe in the divine inspiration complete trustworthiness and full authority of the Bible Have demonstrated proficiency in the biblical book that is their specialty Are committed to the church and the pastoral dimension of biblical interpretation Represent geographical and denominational diversity Use a balanced and respectful approach toward marked differences of opinion Write from an evangelical viewpoint For insightful exposition thoughtful discussion and ease of use look no further than The Expositor's Bible Commentary

Systematic Philosophical Theology, Volume 1 William Lane Craig, 2025-03-03 Offers a transformative journey through Christian doctrine invites readers to engage with an intellectually enriching exploration of faith and reason Systematic Philosophical Theology is a multi volume explication of Christian doctrine in the classic Protestant tradition of the *loci communes* Blending the disciplines of biblical theology historical theology and analytic theology this landmark series provides readers with a biblically faithful philosophically coherent articulation of the full range of Christian doctrine In the first volume of the series *Prolegomena On Scripture On Faith* distinguished theologian and philosopher William Lane Craig begins by introducing his conception of systematic philosophical theology describing how it relates to biblical theology dogmatics fundamental theology apologetics and especially philosophy of religion The chapters that follow defend the divine authority of Scripture address the nature of faith and discuss the rational justification for Christian faith Throughout the text Craig tackles deep philosophical issues that

arise naturally from Christian doctrine such as questions regarding the compatibility of biblical inspiration and human freedom Taking a synoptic integrative approach that lays the foundation for engaging with subsequent volumes in the series Prolegomena On Scripture On Faith Offers a deep integration of philosophy and theology Characterizes the main features of systematic theology including its nature goals subject matter and relations to adjacent disciplines Combines sacred and secular knowledge to build a synoptic worldview bridging the gap between theology and scientific disciplines Presents creative formulations of Christian doctrines such as a Molinist doctrine of biblical inspiration Systematic Philosophical Theology Volume I Prolegomena On Scripture On Faith is essential reading for philosophers of religion systematic theologians analytic theologians and Christian philosophers It is also a valuable resource for students and scholars of religion philosophy of religion and theology as well as laypeople and academics in other fields *The Fate of the Apostles* Sean McDowell, 2024-12-17

The Book of Martyrs by John Foxe written in the sixteenth century has long been the go to source for studying the lives and martyrdom of the apostles While other scholars have written individual treatments on the more prominent apostles such as Peter Paul John and James there is little published information on the other apostles In *The Fate of the Apostles* Sean McDowell offers a comprehensive reasoned historical analysis of the fate of the Twelve disciples of Jesus along with the apostles Paul and James the brother of Jesus McDowell assesses the evidence for each apostle's martyrdom as well as determining its significance to the reliability of their testimony The question of the fate of the apostles also gets to the heart of the reliability of the kerygma Did the apostles really believe Jesus appeared to them after his death or did they fabricate the entire story How reliable are the resurrection accounts The willingness of the apostles to die for their faith is a popular argument in resurrection studies In this thoroughly updated new edition McDowell offers insightful scholarly analysis of this argument to break new ground within the spheres of New Testament studies Church History and apologetics

A Feminist Companion to the Catholic Epistles and Hebrews Amy-Jill Levine, Maria Mayo Robins, 2004-01-01 The eighth volume in this series continues the exploration of women's representations and roles constructions of gender and attitudes toward sexuality in the early church Jim Aageson Judith Applegate Warren Carter Pamela Eisenbaum Ruth Hoppin Luke Timothy Johnson Catherine Clark Kroeger Magda Missett van de Weg John Elliott Betsy Bauman Martin and Timothy Cargal tackle a variety of complex issues involving slavery prostitution widows church leadership suffering women's agency and Evangelical responses to the so called texts of terror This volume advances discussion on these often overlooked and misunderstood general letters *Paul and Apostasy* B. J. Oropeza, 2007-04-01 This groundbreaking work presents the concepts of apostasy and perseverance in light of recent interpretative and intertextual methods Oropeza argues that the Pauline letters include warnings to congregation members who are in danger of falling away and Paul often considers these members to be authentic converts to the early Christian message A prime example of this is presented in the apostle's use of the Exodus wilderness traditions in 1 Corinthians 10:1-13 In an effort to persuade congregation members against apostasy

Paul echoes examples from the Hebrew Scriptures and Jewish traditions regarding Israel's divine election and punishments. The Corinthians are exhorted against conducting themselves in a manner that parallels the ancient Israelites who after crossing the Red Sea were rejected by God in the wilderness because they murmured and committed vices such as idolatry and sexual immorality. Paul cautions the Corinthians that if they commit such vices in their own spiritual journey, they will suffer divine judgment before the culmination of the eschaton. These warnings are located within larger rhetorical arguments related to the problems of meat sacrificed to idols, congregational factions, and misperceptions about the end times. Oropeza also interprets passages on apostasy and perseverance in Paul's other letters and he interacts with theological perspectives associated with the perseverance of the saints, including Calvinist and Arminian traditions. His work provides a fresh alternative to this theological controversy.

Jesus and Scripture Thomas J. Parker, 2024-02-29

For the New Testament writers, the Old Testament scriptures and the teachings of Jesus were key sources of authority and influence. When these influences are considered alongside each other, each can illuminate the other, deepening the New Testament writers' presentation of Jesus and our understanding of their interpretations. In *Jesus and Scripture*, Tom Parker examines the way in which Hebrews, James, and 1 and 2 Peter deal with these two different sources of authority, how they relate to each other, and what shifts have occurred historically and theologically within the writing of these texts. Treating the four epistles methodologically, Parker examines the particular ways in which each writer draws on the Hebrew scriptures. Ultimately, he argues convincingly that the nascent Jesus tradition, particularly via oral routes, influenced the way the Old Testament was processed by these various New Testament writers.
