1688 1988 Time For A New Constitution:

Time for a New Constitutional Change Richard Holme, Michael Elliott, 1988-11-04 A group of essays many given at the annual Scarman seminar run by the Constitutional Reform Centre in 1987 88 and now published to coincide with the tercentenary of the Glorious Revolution and the Bill of Rights re examining the principles and practice of the constitution since 1688 **1688-1988** Richard Holme, Michael Elliott, 1988 A group of essays many given at the annual Scarman seminar run by the Constitutional Reform Centre in 1987 88 and now published to coincide with the tercentenary of the Glorious Revolution and the Bill of Rights re examining the principles and practice of the constitution since 1688 *Constitutional Paradigms and the Stability of States* Noel Cox, 2016-05-23 This book examines the influence of constitutional legal paradigms upon the political stability and viability of states It contributes to the literature in the field by focussing on how constitutional flexibility may have led to the rise of successful states and to the decline of unsuccessful states by promoting stability Divided into two parts the book considers theories of the rise and fall of civilizations and individual states explains the concept of hard and soft constitutions and applies this concept to different types of state models A series of international case studies in the second part of the book identifies the key dynamics in legal political and economic history and includes the UK US New Zealand and Eastern Europe The British Constitution Anthony King, 2007 In the nineteenth century Walter Bagehot wrote a classic account of the British constitution as it had developed during Queen Victoria s reign arguing that it was not at all what people thought it was Anthony King argues that the same is true at the beginning of this century The author maintains that while the new British constitution is a mess there is no going back now Grappling with the thorniest issues facing the British polity head on he offers a trenchant analysis of the increasingly divergent relationship between England Scotland and Wales in the light of devolution and a devastating critique of the reformed House of Lords The book is a Bagehot for the 21st Century and essential reading for anyone with an interest in the nature and future of British political life Reforming the Constitution Peter Catterall, Wolfram Kaiser, Ulrike Walton-Jordan, 2014-05-12 This collection takes as its subject how and why the British constitution developed during the course of the 20th century In chapters that analyse in detail the evolution of various aspects of the constitution this work explores debates about how the constitution ought to operate and the political goods it ought to secure among politicians jurists and academics In addition it looks at the influence of political parties nationalism social and economic change European integration and the contests in over particular reforms in Parliament courts media and on the hustings The Politics of the British Constitution Michael Foley, 1999 The Politics of the British Constitution provides the first major assessment of the properties dynamics and implications of the new area of political exchange **Citizens and Subjects** Tony Wright, 2002 *A Treatise on Social Theory* Walter Garrison Runciman, 1997-08-28 In this concluding volume of his trilogy on social theory W G Runciman applies to the case of twentieth century English society the methodology distinguishing reportage explanation description and evaluation and theory of the

preceding two volumes Volume III shows how England's capitalist mode of production liberal mode of persuasion and democratic mode of coercion evolved in the aftermath of the First World War from what they had been since the 1880s but then did not in turn evolve significantly following the Second World War The explanation rests on an analysis of the selective pressures favouring some economic ideological and political practices over others in an increasingly complex environment neither predictable nor controllable by policy makers This is supported by a graphic account of the changes themselves and how they were experienced by different segments of English society

Oxford Dictionary of National Biography

2005-2008 Lawrence Goldman, 2013-03-07 Who made modern Britain This book drawn from the award winning Oxford Dictionary of National Biography tells the story of our recent past through the lives of those who shaped national life Following on from the Oxford DNB's first supplement volume noteworthy people who died between 2001 and 2004 this new volume offers biographies of more than 850 men and women who left their mark on twentieth and twenty first century Britain and who died in the years 2005 to 2008 Here are the people responsible for major developments in national life from politics the arts business technology and law to military service sport education science and medicine Many are closely connected to specific periods in Britain's recent history From the 1950s the young Harold Pinter or the Yorkshire cricketer Fred Trueman for example From the Sixties the footballer George Best photographer Patrick Lichfield and the Pink Floyd musician Syd Barrett It's hard to look back to the 1970s without thinking of Edward Heath and James Callaghan who led the country for seven years in that turbulent decade or similarly Freddie Laker pioneer of budget air travel and the comedians Ronnie Barker and Dave Allen who entertained with their sketch shows and sit coms A decade later you probably browsed in Anita Roddick's Body Shop or danced to the music of Factory Records established by the Manchester entrepreneur Tony Wilson In the 1990s you may have hoped that Things can only get better with a New Labour government which included Robin Cook and Mo Mowlam Many in this volume are remembered for lives dedicated to a profession or cause Bill Deedes or Conor Cruise O'Brien in journalism Ned Sherrin in broadcasting or indeed Ted Heath whose political career spanned more than 50 years Others were responsible for discoveries or innovations of lasting legacy and benefit among them the epidemiologist Richard Doll who made the link between smoking and lung cancer Cicely Saunders creator of the hospice movement and Chad Varah founder of the Samaritans With John Profumo who gave his name to a scandal policeman Malcolm Fewtrell who investigated the Great Train Robbery or the Russian dissident Aleksandr Litvinenko who was killed in London in 2006 we have individuals best known for specific moments in our recent past Others are synonymous with popular objects and experiences evocative of recent decades Mastermind with Magnus Magnusson the PG Tips chimpanzees trained by Molly Badham John DeLorean's gull wing car or the new British Library designed by Colin St John Wilson though as rounded and balanced accounts Oxford DNB biographies also set these events in the wider context of a person's life story Authoritative and accessible the biographies in this volume are written by specialist authors many of them leading figures in their field

Here you will find Michael Billington on Harold Pinter Michael Crick on George Best Richard Davenport Hines on Anita Roddick Brenda Hale on Rose Heilbron Roy Hattersley on James Callaghan Simon Heffer on John Profumo Douglas Hurd on Edward Heath Alex Jennings on Paul Scofield Hermione Lee on Pat Kavanagh Geoffrey Wheatcroft on Conor Cruise O'Brien and Peregrine Worsthorne on Bill Deedes Many in this volume are naturally household names But a good number are also remembered for lives away from the headlines What in the 1980s became Thatcherism owed much to behind the scenes advice from Ralph Harris and Alfred Sherman children who learned to read with Ladybird Books must thank their creator Douglas Keen while without its first producer Verity Lambert there would have been no Doctor Who Others are ordinary people capable of remarkable acts Take for instance Arthur Bywater who over two days in 1944 cleared thousands of bombs from a Liverpool munitions factory following an explosion only to do the same months later in an another factory Awarded the George Cross and the George Medal Bywater remains the only non combatant to have received Britain's two highest awards for civilian bravery

Parliaments and Parties Roger Morgan, Clare Tame, 2016-07-27 This book analyses the European Parliament's relations with the national parliaments of the European Union in terms of political party interactions institutional arrangements and two way influence Each of the twelve chapters on the member states of the EU covers three main themes the links between party political activity at the European and national levels the degree of cooperation between the national and the European parliaments and the extent to which the national legislature is influenced by the EP's resolutions or other communications

The Northern Ireland Legal Quarterly, 2001

Party Ideology in Britain Leonard Tivey, Anthony Wright, 2024-03-01 First published in 1989 Party Ideology in Britain presents an approach to the study of British politics which is distinctive in its focus on political ideas rather than on the more familiar organizational basis of party politics It sets out to explore what the major political traditions in Britain stand for both in terms of general ideas and in relation to key policy areas The contributors examine the nature of political ideology in Britain in the period since 1945 as revealed by the party system and discuss the way in which general ideological positions have been related to policy and practice Each of the major national party traditions is examined showing how contemporary party thinkers have sought to apply and adapt the historic principles of their parties in the face of social change economic problems and international developments This book will be of interest to students of political science and history

The Royal Prerogative and Constitutional Law Noel Cox, 2020-08-31 This book examines the royal prerogative in terms of its theory history and application today The work explores the development of the royal prerogative through the evolution of imperial government

and more recent structural changes in the United Kingdom and elsewhere in the Commonwealth While examining specific prerogative powers the development of justiciability of the prerogative and the exercise of the prerogative it lays bare the heart of constitutionality in the Westminster system of government There is said to be a black hole of unaccountable authority at the heart of the constitution and it is this which this book examines The focus is upon the constitutional development of the United Kingdom and the old dominions of Canada Australia and New Zealand This approach is comparative and historical using specific case studies of such events as the dissolution of Parliament and the appointment and dismissal of Prime Ministers The book will be of interest to academics and researchers working in the areas of Constitutional Law and Politics **L.S.E. Quarterly** ,1989 **Encyclopedia of Citizenship Studies** Marisol García Cabeza,Thomas Faist,2024-04-12 This Encyclopedia presents a comprehensive collection of entries addressing the normative claims and definitions of the critical concepts principles and approaches that make up the field of citizenship studies

Constitutional Reform Rodney Brazier,1998 This book examines the current debate about constitutional reform Included in this new edition is a chapter on the Labour Government s plans to reform the system of government **The Culture of Secrecy** David Vincent,1998 A comprehensive study of the closure of communication in modern British history right up to 1998 this book seeks to understand why secrets have been kept and how the systems of control have been constructed and challenged over the past 160 years *On Fantasy Island* C. A. Gearty,2016 The repeal of the Human Rights Act is one of the major political questions of our day In an engaging insight into the fantasies and myths driving the case for repeal Conor Gearty defends the importance of the HRA and debunks the arguments that would see a UK Bill of Rights An essential book for all readers who want to be informed on the debate **After Brexit and Other Essays** Andrew Gamble,2021-04-28 After Brexit brings together Gamble s most influential writings on British politics and political economy from the last 40 years reflecting on issues that animate British politics from the decline of the economy and reshaping the welfare state to the transformation of political parties and devolution to Wales Scotland and Northern Ireland
