Directory of Special Libraries and Information Centers ,2009 **Literacy in Everyday Life** Jeroen Blaak, 2009 Until recently historians of reading have concentrated on book ownership and trying to map out a history of who read what The reading experience has been a subject more difficult to research As has been pointed out before egodocuments can be valuable sources in this case Following this lead Literacy in Everyday Life focuses upon four early modern Dutch diaries in which readers document their daily life and in which they recount their reading In the analysis other ways in which these four readers communicated are also addressed especially speech and writing This book therefore provides an insight into the possible uses of literacy and the interaction between the printed written and spoken word in the early modern Dutch Republic The Low Countries Jozef Deleu, 2003 *The Low Countries* ,1999 **The Working Papers of Hugo Grotius**

Martine Julia van Ittersum, 2024-05-27 *The Working Papers of Hugo Grotius* is the first full length study of the handwritten documents initially used by the author of *Mare Liberum* 1609 and *De Jure Belli ac Pacis* 1625 in his day to day activities as a scholar lawyer and politician but subsequently incorporated into his own or other archives Martine van Ittersum reconstructs a process of transmission dispersal and loss that started during Grotius lifetime and ended with the papers auction in 1864 This is also a study of archival afterlives Our understanding of Grotius life and work is shaped by the conscious decisions of previous generations to retain or discard documents frequently for the sake of individual lives and careers family honour and or larger political and religious ends
