**Daughters of Republic of Texas - Vol II**, 2001 **Pleasant Bend** Dan Worrall, 2016 Today s Greater Houston is a vast urban place In the mid nineteenth century however Houston was a small town a dot in a vast frontier Extant written histories of Houston largely confine themselves to the small area within the city limits of the day leaving nearly forgotten the history of large rural areas that later fell beneath the city s late twentieth century urban sprawl One such area is that of upper Buffalo Bayou extending westward from downtown Houston to Katy European settlement here began at Piney Point in 1824 over a decade before Houston was founded Ox wagons full of cotton traveled across a seemingly endless tallgrass prairie from the Brazos River east to Harrisburg and later to Houston along the San Felipe Trail built in 1830 Also here Texan families fled eastward during the Runaway Scrape of 1836 immigrant German settlers trekked westward to new farms along the north bank of the bayou in the 1840s and newly freed African American families walked east toward Houston from Brazos plantations after Emancipation Pioneer settlers operated farms ranches and sawmills Near present day Shepherd Drive Reconstruction era cowboys assembled herds of longhorns and headed north along a southeastern branch of the Chisholm Trail Little physical evidence remains today of this former frontier world **After San Jacinto** Joseph Milton

Nance,2011-05-18 A balanced account of the skirmishes along Texas borderland during the years between the Battle of San Jacinto and the Mexican seizure of San Antonio The stage was set for conflict The First Congress of the Republic of Texas had arbitrarily designated the Rio Grande as the boundary of the new nation Yet the historic boundaries of Texas under Spain and Mexico had never extended beyond the Nueces River Mexico unwilling to acknowledge Texas independence was even more unwilling to allow this further encroachment upon her territory But neither country was in a strong position to substantiate claims so the conflict developed as a war of futile threats border raids and counterraiders Nevertheless men died often heroically and this is the first full story of their bitter struggle Based on original sources it is an unbiased account of Texas Mexican relations in a crucial period Solid regional history The Journal of Southern History Sutherland Springs, Texas

Richard B. McCaslin,2017-02-15 In Sutherland Springs Texas Richard B McCaslin explores the rise and fall of this rural community near San Antonio primarily through the lens of its aspirations to become a resort spa town because of its mineral water springs around the turn of the twentieth century Texas real estate developers initially more interested in oil brought Sutherland Springs to its peak as a resort in the early twentieth century but failed to transform the farming settlement into a resort town The decline in water tables during the late twentieth century reduced the mineral water flows and the town faded Sutherland Springs s history thus provides great insights into the importance of water in shaping settlement Beyond the story of resort spa aspirations lies a history of the community and its people itself McCaslin provides a complete history of Sutherland Springs from early settlement through Civil War and into the twentieth century its agricultural and oil drilling exploits alongside its mineral water appeal as well as a complete community history of the various settlers and owners of the springs hotel Diplomatic Correspondence of the Republic of Texas Texas. Secretary of State,1911 **The Mexican Frontier, 1821-1846** David J. Weber,1982-06 Reinterprets borderlands history from the Mexican perspective *Calcote Family Journey* Frances Calcote Brite,1997 Hercules Calcott ca 1640 1684 was in Isle of Wight County Virginia by 1677 He married Susannah ca 1670 One descendant John Calcote was born ca 1750 in Virginia He later moved to South Carolina and then Mississippi before 1802 He died in 1830 in Franklin County Descendants lived in Mississippi Louisiana Texas South Carolina and elsewhere
