1885 Experiences Of The Halifax Battalion In The Northwest:

Experiences of the Halifax Battalion in the North-West Robert A. Sherlock, 1885 *Experiences of the Halifax Battalion in the North-West ...* Robert A. Sherlock, 1885 Peel's Bibliography of the Canadian Prairies to 1953 Ernest Boyce Ingles, Bruce Braden Peel, Norman Merrill Distad, 2003-01-01 The Prairie Provinces cover Alberta Saskatchewan and Manitoba **The Cowboy Cavalry** Gordon Errett Tolton, 2011 When Native and M tis unrest escalated into the Northwest Rebellion of 1885 white settlers in southern Alberta s cattle country were terrified Three major First Nations bordered their range and war seemed certain In anticipation 114 men mustered to form the Rocky Mountain Rangers a volunteer militia charged with ensuring the safety of the open range between the Rocky Mountains and the Cypress Hills The Rangers were a motley crew from ex Mounties and ex cons to retired high ranking military officials and working ranch hands Membership qualifications were scant ability to ride a horse knowledge of the prairies and preparedness to die The Rangers were resolutely prepared to fight as mounted cavalry should the rebellion spread This is their story inextricably linked to the dissensions of the day rife with skirmishes corruption jealousies rumour innuendo and gross media sensationalizing all bound together with what author Gordon Tolton terms a generous helping of gunpowder Canadians ,1986 **Bibliographie de la Vie Militaire Au Canada, 1867-1995** O. A. Cooke, Canada. Department of National Defence. Directorate of History and Heritage, 1997 Canadian military history and military matters have not been well represented in general in retrospective bibliographies of Canadian or in international military bibliographies What has been attempted in this document is a bibliography of published primary sources and secondary works on Canadian military topics excluding poetry and fiction covering the period from Confederation to the present Entries in the bibliography represent printed monographs books and pamphlets and serial titles The prime criteria of inclusion were that the work be chiefly or uniquely both Canadian and military in its contents Many in house publications of the training pamphlet or regulations type have been included but only insofar as they tell us something of the armed forces themselves rather than details of tactical doctrine or of pieces of equipment Works by or about Canadians serving with the armed forces of other countries have been included as well as materials relating to the military history of Newfoundland since 1867 Manitoba History ,2001 Guns Across the River Donald E. Graves, Arthur J. Robinson, 2001 In 1838 American extremist groups invaded Canada at several places thinking Canadians would rise up to throw off the British yoke It never occurred to them they were invading Loyalist country where strong memories remained of the conflicts of the American Revolution and the flight north to remain under the British crown In one of the most ambitious incursions members of the Patriot Hunters sailed down the St Lawrence River in a hijacked steamship and landed near Prescott Ontario where they occupied a stone windmill It took five days of bloody fighting by soldiers and militia to capture the invaders *Field of Glory* Donald E. Graves, 1999 One of the turning points in the War of 1812 In the fall of 1813 the largest army yet assembled by the United States invaded Canada determined to capture Montreal

The courageous but ill trained and badly led American forces were defeated by British Canadian and native troops in two important encounters the Battle of Chateauguay and above all the Battle of Crysler's Farm fought on a muddy field beside the St Lawrence River

In Peril on the Sea Donald E. Graves, Canadian Naval Memorial Trust, 2003 This is the story of a forgotten fighting service During the Second World War the Royal Canadian Navy expanded from a tiny force of ten warships in 1939 to the third largest Allied navy by 1945 The RCN's primary wartime role was convoy escort in the North Atlantic and Canadian warships served in this grim theatre where the weather was an enemy almost as dangerous as the U boats for nearly six years In Peril on the Sea is the story of the Canadian navy and its important contribution to Allied victory in the Battle of the Atlantic the most crucial battle of the Second World War Much of this fascinating saga is presented through the personal accounts of 65 eyewitnesses British Canadian German sailors submariners and merchant seamen who participated in the Second World War's longest operation In Peril on the Sea contains nearly 200 photographs drawings maps graphics and ship profiles which bring to life with compelling immediacy the grim but courageous struggle to preserve the sea lanes of freedom between 1939 and 1945 Commissioned by the Canadian Naval Memorial Trust and written by one of Canada's foremost historians In Peril on the Sea will appeal to general and specialist readers alike Book jacket
