*The 1930 European Scrap Book* William Griffith, 1930      **Ford Madox Ford, 1873-1939** David Dow Harvey, 2015-12-08  
The Protean personality and career of Ford Madox Ford as poet novelist editor critic and miscellaneous writer have made him one of the most elusive of modern authors In this bibliography which includes extensive excerpts of writings by and about Ford as well as complete descriptions of the various editions of his book and periodical publications David Dow Harvey has at last made it possible to form a true estimate of Ford's involvements with other writers and his contributions to modern literature Originally published in 1961 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905      **Collected Works of C. G. Jung, Volume 19** C. G. Jung, 2024-03-19 In paperback for the first time an authoritative bibliography of Jung's works in German and English A record of all of Jung's publications in German and in English this volume replaces the general bibliography published in 1979 as Volume 19 of the Collected Works of C G Jung In the form of a checklist this revised general bibliography records through 1990 the initial publication of each original work by Jung each translation into English and all significant new editions including paperbacks and publications in periodicals The contents of the volumes of the Collected Works of C G Jung and the *Gesammelte Werke* published in Switzerland are listed in parallel to show the relation between the two editions Jung's seminars are dealt with in detail and where possible information is provided about the origin of works that were first conceived as lectures There are indexes of all publications personal names organizations and societies and periodicals      Collected Works of C.G. Jung C.G. Jung, 1973-09-01 Contains revised versions of works previously published works not previously translated and new translations of virtually all of Jung's writings Prior to his death he supervised the textual revision Several of the volumes are extensively illustrated each contains an index and most a bibliography

**Catalog of Copyright Entries. New Series** Library of Congress. Copyright Office, 1932      **General Bibliography of C.G. Jung's Writings** C.G. Jung, 2014-12-18 This bibliography records the initial publication of each original work by C G Jung each translation and significant revisions and expansions of both up to 1975 In nearly every case the compilers have examined the publications in German French and English Translations are recorded in Danish Dutch English Finnish French Greek Hebrew Hungarian Italian Japanese Norwegian Portuguese Russian Serbo Croatian Slovenian Spanish Swedish and Turkish It is arranged according to language with German and English first publications being listed chronologically in each language The General Bibliography lists the contents of the respective volumes of the Collected Works of which this is Volume 19 and the *Gesammelte Werke* published in Switzerland and shows the interrelation of the two editions It also lists

Jung's seminars and provides where possible information about the origin of works that were first conceived as lectures An index is provided of all the titles in English and German and all original works in the other languages Three specialist indexes of personal names organizations and societies and periodicals complete the work The publication of the General Bibliography together with the General Index Volume 20 of the Collected Works complete the publication of the Collected Works of C G Jung in English

**The Reception of H.G. Wells in Europe** Patrick Parrinder, John S. Partington, 2013-02-14 H G Wells was described by one of his European critics as a seismograph of his age He is one of the founding fathers of modern science fiction and as a novelist essayist educationalist and political propagandist his influence has been felt in every European country This collection of essays by scholarly experts shows the varied and dramatic nature of Wells's reception including translations critical appraisals novels and films on Wellsian themes and responses to his own well publicized visits to Russia and elsewhere The authors chart the intense ideological debate that his writings occasioned particularly in the inter war years and the censorship of his books in Nazi Germany and Francoist Spain This book offers pioneering insights into Wells's contribution to 20th century European literature and to modern political ideas including the idea of European union
