Philip Cooke, Ben H. Shepherd

1939 In The Shadow Of War:

1939 Robert Kee, 1984 *Crusader for Democracy* Charles Delgadillo, 2018-05-25 Roosevelt bit me and I went mad William Allen White said of his first encounter with Teddy in 1897 He grudgingly praised Franklin D Roosevelt's performance at the 1943 Casablanca Conference with We who hate your gaudy guts salute you Editor of the Emporia Kansas Gazette the Sage of Emporia is known for his quips quotations and a sharply crafted view from Main Street expressed in his 1896 essay What's the Matter with Kansas But for all his carefully cultivated small town sagacity William Allen White 1868 1944 was a public figure and political operator on a grand scale Writing the first biography in a half century to look at this side of White's character and career Charles Delgadillo brings to life a leading light of a once widespread liberal Republican movement that has largely become extinct White built his reputation as the voice of the midwestern middle class through his nationally syndicated articles and editorials *Crusader for Democracy* takes us behind the veneer of the small town newspaperman to show us the sophisticated well traveled man of the world who rubbed elbows with local state and national politicians world renowned journalists and authors political activists of all kinds and every president from William McKinley to FDR Paradoxically White the master of insider politics was also an insurgent who fought a fifty year crusade for liberal reform usually through and sometimes against the Republican Party Delgadillo's vivid portrait gives readers a behind the scenes view of the twentieth century political and economic order in the making with William Allen White firmly in the middle deploying the soft power of friendship and influence to advance the cause of the common man and the promise of equal opportunity as the very foundation of American democracy [The Coast Guard at War](#) United States. Coast Guard, 1950

The Long Shadow: The Legacies of the Great War in the Twentieth Century David Reynolds, 2014-05-12 Winner of the 2014 PEN Hessel Tiltman Prize for the Best Work of History If you only read one book about the First World War in this anniversary year read *The Long Shadow* David Reynolds writes superbly and his analysis is compelling and original Anne Chisolm Chair of the PEN Hessel Tiltman Prize Committee and Chair of the Royal Society of Literature One of the most violent conflicts in the history of civilization World War I has been strangely forgotten in American culture It has become a ghostly war fought in a haze of memory often seen merely as a distant preamble to World War II In *The Long Shadow* critically acclaimed historian David Reynolds seeks to broaden our vision by assessing the impact of the Great War across the twentieth century He shows how events in that turbulent century particularly World War II the Cold War and the collapse of Communism shaped and reshaped attitudes to 1914 18 By exploring big themes such as democracy and empire nationalism and capitalism as well as art and poetry *The Long Shadow* is stunningly broad in its historical perspective Reynolds throws light on the vast expanse of the last century and explains why 1914 18 is a conflict that America is still struggling to comprehend Forging connections between people places and ideas *The Long Shadow* ventures across the traditional subcultures of historical scholarship to offer a rich and layered examination not only of politics diplomacy and security but

also of economics art and literature The result is a magisterial reinterpretation of the place of the Great War in modern history **Something to Fear** Ira Chernus,Randall Fowler,2023-11-17 A presidency unlike any other Franklin D Roosevelt s legacy in foreign affairs has been contested since the day of his passing Few presidential statements have echoed through history like FDR s charge to conquer fear itself Yet immediately after the end of World War II the United States was gripped by a pervasive sense of national insecurity In *Something to Fear* Ira Chernus and Randall Fowler demonstrate that Roosevelt s rhetoric vision and policies promoted a broadly defined sense of American security over a period of thirty three years ultimately helping elevate security to its primacy in US political discourse by the end of his presidency In doing so however he also heightened the prominence of insecurity in American public life mediating the United States transition to superpower status in a way that also elevated fear in debates over foreign affairs FDR s presidency precipitated a complex shift in US foreign policy that defies any straightforward account organized along a linear isolationist to interventionist trajectory Chernus and Fowler investigate the uncertainties and contradictions embedded in FDR s presidential rhetoric which drew from realist racial progressive nostalgic apocalyptic liberal internationalist and American exceptionalist discourses In this way Roosevelt s rhetoric anticipated the ambivalences contained in American adventures abroad ever since *Something to Fear* shows how FDR s response to the Great Depression the debates over intervention and World War II left an immense rhetorical legacy that often stressed insecurity This study of FDR s entire political career also carefully links him to the Progressive Era before his presidency and to the Cold War era after it *The Shadow War* Henri Michel,Richard Barry,1975

Barbarism and Civilization Bernard Wasserstein,2009 History *Gun Control in Nazi-Occupied France* Stephen P. Halbrook,2025-08-26 Nazi Germany invaded France in 1940 In every occupied town Nazi soldiers put up posters that demanded that civilians surrender their firearms within twenty four hours or else be shot Despite the consequences many French citizens refused to comply with the order In *Gun Control in Nazi Occupied France* Tyranny and Resistance Stephen P Halbrook tells this story of Nazi repression and the brave French men and women who refused to surrender to it Taking advantage of a prewar 1935 French gun registration law the Nazis used registration records kept by the French police to easily locate gun owners to enforce their demand that firearms be surrendered Countless French citizens faced firing squads for refusing to comply But many French citizens had resisted the 1935 decree preventing the Nazis from fully enforcing the confiscation order Throughout the Nazi occupation the French Resistance grew arming itself to conduct resistance activities and fight back against the occupation Drawing on records of the German occupation and testimonies from members of the French resistance *Gun Control in Nazi Occupied France* is the first book to focus on the Nazis efforts to disarm the French From Dynasties to Dotcoms Carol Kennedy,2003 Table of contents Mass Killings and Violence in Spain, 1936-1952 Peter Anderson,Miguel Ángel del Arco Blanco,2014-09-19 Historians have only recently established the scale of the violence carried out by the supporters of General Franco during and after the Spanish Civil War of 1936 1939 An estimated 88 000

unidentified victims of Francoist violence remain to be exhumed from mass graves and given a dignified burial and for decades the history of these victims has also been buried This volume brings together a range of Spanish and British specialists who offer an original and challenging overview of this violence Contributors not only examine the mass killings and incarcerations but also carefully consider how the repression carried out in the government zone during the Civil War long misrepresented in Francoist accounts seeped into everyday life A final section explores ways of facing Spain's recent violent past

Unpatriotic History of the Second World War James Hartfield, 2012-09-28 The Second World War was not the Good War of legend James Heartfield explains that both Allies and Axis powers fought for the same goals territory markets and natural resources

European Resistance in the Second World War Philip Cooke, Ben H. Shepherd, 2013-11-13 Resistance to German led Axis occupation occurred all the way across the European continent during the Second World War It took a wide range of forms non cooperation and disinformation sabotage espionage armed opposition and full scale partisan warfare It is an important element in the experience and the national memory of the peoples who found themselves under Axis government and control For over thirty years there has been no systematic attempt to give readers a panoramic yet detailed view of the make up actions and impact of resistance movements from Scandinavia down to Greece and from France through to Russia This authoritative and accessible survey written by a group of the leading experts in the field provides a reliable in depth up to date account of the resistance in each region and country along with an assessment of its effectiveness and of the Axis reaction to it An extensive introduction by the editors Philip Cooke and Ben H Shepherd draws the threads of the varied movements and groups together highlighting the many differences and similarities between them The book will be a significant contribution to the frequently heated debates about the importance of individual resistance movements It will be thought provoking reading for everyone who is interested in or studying occupied Europe during the Second World War

Stalin's Guerrillas Kenneth Slepyan, 2006 A detailed study of the operations politics culture and autonomy of Soviet partisans or guerrillas who fought the German army in WWII Blending military political social and cultural history Slepyan also provides a prism for viewing relations between the suffocating Stalinist state and its independent partisan warriors

Hollywood War Films, 1937-1945 Michael S. Shull, David Edward Wilt, 2015-09-03 From 1937 through 1945 Hollywood produced over 1 000 films relating to the war This enormous and exhaustive reference work first analyzes the war films as sociopolitical documents Part one entitled The Crisis Abroad 1937 1941 focuses on movies that reflected America's increasing uneasiness Part two Waging War 1942 1945 reveals that many movies made from 1942 through 1945 included at least some allusion to World War II

Fascist Italy at War James J. Sadkovich, 2025-03-27 Rather than a chronological account this history contains discussions of topics ranging from economics and diplomacy to industrial capacity and armored doctrine The author challenges claims that Italians were militarily incompetent by examining the influence of demography natural resources industrial capacity and Italy's allies on its war efforts during both world wars He

also challenges assertions that ideology determined the choice of allies and formulation of military doctrine and arguments that Italy's war effort was negligible in world wars. Based on primary and secondary sources, this revisionist history contains seventy-four tables and arguments rarely found in the literature in English. **Britain, Ireland and the Second World War** Ian S. Wood, 2010-02-28 For Britain, the Second World War exists in popular memory as a time of heroic sacrifice, survival, and ultimate victory over Fascism. In the Irish state, the years 1939-1945 are still remembered simply as the Emergency. Eire was one of many small states which in 1939 chose not to stay out of the war but one of the few able to maintain its non-belligerency as a policy. How much this owed to Britain's military resolve or to the political skills of a man de Valera is a key question which this new book will explore. It will also examine the tensions Eire's policy created in its relations with Winston Churchill and with the United States. The author also explores propaganda, censorship, and Irish state security and the degree to which it involves secret co-operation with Britain. Disturbing issues are also raised like the IRA's relationship to Nazi Germany and ambivalent Irish attitudes to the Holocaust. Drawing upon both published and unpublished sources, this book illustrates the war's impact on people on both sides of the border and shows how it failed to resolve sectarian problems on Northern Ireland while raising higher the barriers of misunderstanding between it and the Irish state across its border.

World War II Loyd E. Lee, 1991 An anthology of 16 readings dealing with military, political, diplomatic, and social aspects of World War II and its consequences for the contemporary world. The readings consist of complete articles or integral chapters so that each author's argument can be read in its original form. **Remembering the Road to World War Two** Patrick Finney, 2010-09-13 Remembering the Road to World War Two is a broad and comparative international survey of the historiography of the origins of the Second World War. It explores how, in the case of each of the major combatant countries, historical writing on the origins of the Second World War has been inextricably linked with conceptions of national identity and collective memory. **Building Engines for War** Edward M. Young, 2023-11-13 Dive into the heart of wartime innovation and manufacturing through this groundbreaking book, unveiling a riveting narrative of technological mastery and organizational ingenuity. This meticulously researched work challenges conventional views of wartime production, offering a fresh perspective on the incredible efforts that drove the Allies to victory. Young's insightful analyses illuminate the strategic collaboration between the aerospace and automotive industries, showcasing their collective adaptation that created the engines powering victory. Spanning continents, Young examines the transformation of aircraft engine manufacturing during World War II. Unearthing the operations of key players such as the Bristol Aeroplane Company and Pratt & Whitney, it is a critical foundation for understanding the dynamics of wartime production that continue to influence our world today. Edward Young's reconstruction and analysis of the Allies' massive World War II aircraft engine programs is priceless, unique, thorough, and critical, all at once. Philip Scranton, Professor Emeritus, History of Industry and Technology, Rutgers University. ISBN 9781468606645 ISBN 9781468606652 ISBN 9781468606669 DOI 10.4271/9781468606652 *RAF and USAAF Airfields in*

the UK During the Second World War Geoff Mills, Daniel Knowles, 2022-03-31 Shortly after the end of the Second World War the United Kingdom was described as one vast aircraft carrier anchored off the coast of Europe During a seven year period 500 airfields were constructed to serve the needs first of the RAF and later the USAAF as they carried the war to German occupied Europe The airfields that were constructed took many different forms from training airfields and Advanced Landing Grounds to grass fighter airstrips and vast complexes used to accommodate heavy bombers This book charts the history of each Second World War airfield in and around the UK providing a unique insight in to the construction operational life and post war history of each airfield Alongside detailing the history of each airfield this work comprehensively records the details of each unit that operated from airfields around the UK The information provided in this meticulously researched book is supported by a wealth of 690 photographs providing an illustration into the life of each wartime station

When people should go to the books stores, search commencement by shop, shelf by shelf, it is in reality problematic. This is why we present the ebook compilations in this website. It will no question ease you to see guide **1939 In The Shadow Of War** as you such as.

By searching the title, publisher, or authors of guide you in reality want, you can discover them rapidly. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the 1939 In The Shadow Of War full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of 1939 In The Shadow Of War eBooks, including some popular titles.

FAQs About 1939 In The Shadow Of War Books

What is a 1939 In The Shadow Of War PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a 1939 In The Shadow Of War PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a 1939 In The Shadow Of War PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a 1939 In The Shadow Of War PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a 1939 In The Shadow Of War PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
