Garratt,2019-04-01 In 1957 Horace Stoneham took his Giants of New York baseball team and headed west starting a gold rush with bats and balls rather than pans and mines But San Francisco already had a team the Seals of the Pacific Coast League and West Coast fans had to learn to embrace the newcomers Starting with the franchise s earliest days and following the team up to recent World Series glory Home Team chronicles the story of the Giants and their often topsy turvy relationship with the city of San Francisco Robert F Garratt shines light on those who worked behind the scenes in the story of West Coast baseball the politicians businessmen and owners who were instrumental in the club s history Home Team presents Stoneham often left in the shadow of Dodgers owner Walter O Malley as a true baseball pioneer in his willingness to sign black and Latino players and his recruitment of the first Japanese player in the Major Leagues making the Giants one of the most integrated teams in baseball in the early 1960s Garratt also records the turbulent times poor results declining attendance two near moves away from California and the role of post Stoneham owners Bob Lurie and Peter Magowan in the Giants eventual reemergence as a baseball powerhouse Garratt s superb history of this great ball club makes the Giants story one of the most compelling of all Major League franchises Play It Again Jim Bresnahan,2015-01-28 What if Ty Cobb and Shoeless Joe Jackson had stood side by side in Cleveland s outfield What if integration had taken place in the major leagues before 1947 Who would have won the World Series had a strike not shortened the 1994 season In this compilation of fantasy scenarios the history of baseball from 1869 to the controversial 2003 playoffs is literally rewritten by fifty journalists historians authors and former baseball players Topics include playing for pay Merkle s Boner rival leagues the 1919 Series Mickey Owens and the dropped strike and integration Chronologically organized the experts take up the major events of each era and speculate on the long and short term outcomes had history followed a different but still likely course The book concludes with an appendix in which the panel members hold forth on general interest topics such as star crossed players who might have gone on to Hall of Fame careers the greatest big game players and World Series pairings *New York Yankees Firsts* Howie Karpin,2023-04-01 In the nearly

120 year history of the New York Yankees fans have been treated to countless firsts the first Yankee to hit a home run in the original Yankee Stadium Babe Ruth the first to hit a homer in the current stadium Jorge Posada the first Cy Young Award winner Bob Turley the first to hit for the Triple Crown Lou Gehrig and the first to amass 3 000 hits Derek Jeter The list goes on In *New York Yankees Firsts* Howie Karpin presents the stories behind the firsts in Yankees history in question and answer format More than a mere trivia book Karpin s collection includes substantive answers to the question of who was the first on a variety of topics many of which will surprise even seasoned fans of the Bronx Bombers **New York Yankees, The** Mark Stewart,2012-01-01 A revised Team Spirit Baseball edition featuring the New York Yankees that chronicles the history and accomplishments of the team The Team Spirit series paints an engaging detailed yet accessible picture of professional sports teams By focusing on the history great victories and memorable personalities the books have an enduring quality that will not go out of date quickly The text is enhanced with plenty of full color photographs as well as reproductions of vintage trading cards and team memorabilia **Good To The Last Out** Theo Tate,2014-06-13 Chronicles the 96 players who made the last out of the World Series from Joe Tinker to Joe Rudi and the hitters from Willie McCovey to Willie McGee *Management Wisdom From the New York Yankees' Dynasty* Lance A. Berger,2005-05-27 Since the 1920 s the New York Yankees have become the most successful sports franchise in history because of the way they manage their talent and their organization So how do they do it The Yankees sustained success can be traced to 14 core management principles applicable to any business operating today These principles embrace cultivation of home grown talent creation of a culture that demands excellence pursuit and introduction of the most talented players from outside the organization promotion of a diversified workforce and utilization of a productive farm system as currency in making talent deals *1969 Miracle Mets* Steven Travers,2006-03-17 In the 1977 movie *Oh God* George Burns playing the deity is asked to prove his divinity by performing a miracle Burns replies The last miracle I did was the 1969 Mets Before that I think you have to go back to the Red Sea This book tells the tale of the single most impossible unbelievable and wonderful sports story of all time of the 1969 Amazin Mets and their incredible spring summer and fall But it does much more than simply recount how the worst sports franchise ever ascended to greatness in a few short months The 1969 Miracle Mets is the story of tumultuous times the 1960s Against the backdrop of the Vietnam War the New York Mets proved to be a metaphor for a changing America and in retrospect the catapult for the eventual comeback of a battered yet unbowed Metropolis Tom Seaver and his teammates come alive in these pages as the final symbols of an innocent age an age when the greatest icons in American culture New York sports heroes mounted the stage in awesome splendor before Watergate before free agency before the mercenaries took over
