Funk & Wagnalls new encyclopedia yearbook NEWFIELD.,1996 *Funk & Wagnalls New Encyclopedia Yearbook*, 1991 ,1991 The Psychedelic Sixties: a Social History of the United States, 1960-69 Richard T. Stanley,2013-05-28 The Psychedelic Sixties were turbulent times filled with periods of ecstasy and despair Who could have predicted that President Kennedy s Camelot would end with his televised assassination Or that Harvard psychologist Timothy Leary s Concord Prison Project would evolve into his becoming the pied piper of LSD the Psychedelic Revolution and the Hippie Movement To the credit of many Americans a key characteristic of the Psychedelic Sixties was the search for solutions to society s social problems But who could have predicted that President Johnson s Great Society would soon fall victim to race riots student protests and an increasingly unpopular war in Vietnam Throughout the sixties regular folks tried to find relief by watching TV comedies motion picture musicals and major sports events And music from The Beatles to The Rolling Stones Despite all the decade s chaos and bloodshed public and private schools at all levels grew at unprecedented rates And corporate America and our schools were more in cahoots than ever Want a good job Get a college degree And in 1969 as some Hippies still exclaimed Tune in turn on drop out an American named Neil Armstrong WALKED ON THE MOON *Funk and Wagnalls New Encyclopedia 1977 Yearbook* Funk and Wagnalls Inc, New York,1977 *The Jews of Windsor, 1790-1990* Jonathan V. Plaut,2007-05-30 Beginning with the first Jewish settler Moses David the important role that Windsor Jews played in the development of Ontario s south is mirrored in this 200 year chronicle the founding pioneer families transformed their Eastern European shtetl into a North American settlement many individuals were involved in establishing synagogues schools and an organized communal structure in spite of divergent religious political and economic interests Modernity and the growing influences of Zionism and Conservative Reform Judaism challenged the traditional and leftist leanings of the community s founders From the outset Jews were represented in city council actively involved in communal organizations and appointed to judicial posts While its Jewish population was small Windsor boasted Canada s first Jewish Cabinet members provincially and federally in David Croll and Herb Gray As the new millennium approached jews faced shrinking numbers forcing major consolidations in order to ensure their survival *Islamic Impostors* Poray Sr Casimier,2004-07 From the obscure beginnings of a 1930s ghetto in Detroit to international acclaim Black Muslims have evoked fright mystery and hostility The Nation of Islam received little attention from the black Christian church despite its blatantly blasphemous teachings In weekly radio broadcasts Elijah Muhammad taught that his doctrine was superior to the Bible and Quran his mentor was the Messiah God spoken of in Scripture and Jesus died in front of a Jewish storefront and remains buried in Jerusalem From the early 1980s Louis Farrakhan has taught Elijahs doctrine with one major difference he stands in the pulpits of Christian churches mesmerizing the biblically illiterate Islamic Impostors carefully details the irreconcilable differences between

Christians Black Muslims and Islam while providing a biblical critique to aid the Christian church The Eisenhower Years
Richard T. Stanley,2012-06 The Fabulous Fifties were America s Happy Days The Eisenhower Years produced amazing contributions to our American culture and to other cultures around the world In so many ways Americans innovated and the world imitated from Elvis Presley and rock n roll to the Salk anti polio vaccine America s contributions to the world included motion pictures and the Broadway stage radio and television amateur and professional sports jazz the blues country and Western music traditional ballads and popular songs and rock n roll domestic and international business and trade public and private educational opportunities and a rich and varied literature While Americans did not invent all these categories they nevertheless took each to new heights during the Eisenhower Years and shared their bounty with the world The Eisenhower Years generally speaking were happier more stable more prosperous more optimistic and simpler times then the preceding decades of the 1930 s and 40 s and the increasingly turbulent 1960 s and 70 s that followed In fact America s exuberance in so many areas of the arts and everyday life was omnipresent As for political and military achievements President Eisenhower kept us safely out of war and was wise enough to stay out of the way of America s artists and entrepreneurs As a result the Eisenhower Years should forever be remembered as those Happy Days **Biographical Memebership Directory**

International Studies Association,1992 **Disco Days: a Social History of the 1970'S** Richard T. Stanley,2015-06-19 By 1972 President Richard Nixon had reached the heights of political power and popularity only to self destruct due to his role in a third rate burglary called Watergate Nixon resigned in disgrace and for the first time in history Americans came to be led by an unelected President and Vice President Gerald Ford and Nelson Rockefeller But Americans had much more on their minds than mere politics movies TV sports earning a living etc Hollywood motion pictures including The Godfather Jaws and Star Wars captured their imaginations while weekly TV shows such as All in the Family and Happy Days made them laugh and Monday Night Football kept their competitive juices flowing To no ones surprise UCLA continued to win NCAA basketball championships and such schools as Alabama Arkansas Michigan Nebraska Notre Dame Oklahoma Penn State Texas and USC remained dominant on the gridiron And professional sports thanks to such super stars as Billie Jean King Kareem Abul Jabbar Henry Aaron Jack Nicklaus Muhammad Ali Al Unser and Terry Bradshaw became more popular than ever But who could have predicted at the beginning of the decade that a young high school dropout named John Travolta and a band called the Bees Gees would become the kings of Disco Dancing Or that a peanut farmer from Georgia would be elected President during our Bicentennial Year **The World Almanac and Book of Facts, 1995** Mark S
