Lens of Video Games: Payne 1999 John K. Balor, 2019-07-02 This book contains transcripts from Online Alpha discussions where the video game PAYNE 1999 game theory and game study theories are used for analysing and commenting on problems of conflict and cooperation in SPACE 1999 The discussions build on more than a decade of conversations and debate about PAYNE 1999 and the aim of the book is to put the various threads together while also developing new ideas and providing direction for further investigations The book has been developed on an idealistic basis and it is sold at the lowest price the publisher was willing to accept A free e book version can be downloaded at www.lulu.com *The Origins of*

Dominant Parties Ora John Reuter, 2017-04-27 This book asks why dominant political parties emerge in some authoritarian regimes but not in others focusing on Russia s experience under Putin *The Political Dimension of Reconciliation* Ralf K. Wüstenberg, 2009-04-08 When a nation is working through its past the call for reconciliation is often expressed as was the case in South Africa after the end of apartheid and in Germany after the fall of the Berlin Wall Informed by Ralf Wstenberg s long residence in South Africa and his own native Germany this book investigates the conditions and dynamics associated with political reconciliation Wstenberg starts from the observation that reconciliation as a central theme in Christian theological teaching is spoken of in both theology and politics But does it mean the same thing in both contexts Is there a commonality of meaning for words like guilt and reconciliation in politics and theology Where and under what conditions is it possible to translate from theological language into political and vice versa Wstenberg s study promotes a genuine dialogue between religion and politics by carefully analyzing moral discourses in political transitions to democracy **Cumulative**

P. Roberts,2012-03-12 From its inception in 2001 the United Russia Party has rapidly developed into a hugely successful organisationally complex political party and key component of power This book provides a much needed analysis on United Russia by exploring the role of the party in the Russian political system from 2000 to 2010 It explores the party empirically as an impressive organisation in its own right but also theoretically as an independent or explanatory variable able to illumine the larger development of dominant power politics in Russia in the same period The book creates a model to understand the role of political parties in electorally based political systems and shows how United Russia conforms to this model and importantly how the party also has unique features that affect its place in the political system The book goes on to argue that United Russia represents a virtual party hegemony an outcome of political changes occurring elsewhere and so a reversal of the typical relationship between parties and power found in comparative literature This has potentially far reaching implications for our understanding of party dominance in the twenty first century and also the

sources of regime stability and instability **Visions of African Unity** Matteo Grilli, Frank Gerits, 2021-02-09 This collection of essays analyzes different iterations of African unity exploring the political and cultural visions that informed projects aimed at African unification It explores the cultural economic and non state aspects of the Organisation of African Unity OAU as the principal institution dedicated to the cooperation of African states from its establishment in 1963 to its transformation into the African Union AU in 2000 as well as how ideas of African unity shaped the Cold War and African liberation struggles Bringing together contributors from a diverse range of disciplinary backgrounds across Africa Europe and the US this book investigates the ideological origins and historiography of Pan African and unification projects and considers how African intellectuals leaders and populations engaged with these ideas **Network World** , 1998-12-28 For more than 20 years Network World has been the premier provider of information intelligence and insight for network and IT executives responsible for the digital nervous systems of large organizations Readers are responsible for designing implementing and managing the voice data and video systems their companies use to support everything from business critical applications to employee collaboration and electronic commerce Unicoi Unity Owen Link McConnell, 2013-12-10 The Unicoi Mountains straddle the Tennessee North Carolina state line just south of the Great Smoky Mountains separated from the latter mountains only by the Little Tennessee River Extending from the Little Tennessee River southward to the Hiwassee River the Unicois are a southern segment of the high Unaka ridge that forms the western escarpment of the southern Appalachians The Snowbird Mountains are included with the Unicois because they are connected like a spur ridge to the Unicois The Unicois have been isolated and difficult to access until the completion in 1996 of the forty two mile long superbly scenic Cherohala Skyway that courses along the highest ridges of the Unicois at elevations up to 5 390 feet and provides outstanding views of forested mountains The Unicoi Mountains have been relatively undisturbed by human development since most of the land is publicly owned and managed by the U S Forest Service The Unicois harbor many diverse natural treasures that are hidden from the casual observer Along with his personal observations the author describes and synthesizes the results of scientific research on the natural assets of the Unicois including intensive surveys of plants and animals in certain areas the results of which have often been reported only in places where the general public cannot easily access them The authors purpose in writing the book is to share with others what he has learned about the special natural features landscape geology climate flora fungi and fauna of the Unicois and their historical roots with the hope of inspiring others to enjoy cherish and conserve them Unicoi Unity also reviews the history of the effects of humans on the Unicoi ecosystem and anticipates future challenges *Servant-Leadership and Forgiveness* Jiying Song, Dung Q. Tran, Shann Ray Ferch, Larry C. Spears, 2020-08-01 In a world where leaders and organizations face conflicts and complexity at an alarming rate where human cruelty sometimes dominates kindness in individuals and families and where nations hover in the shadow of moral and financial collapse how do we find courage to forge a strong and enduring path into the future In a fresh and profound

approach to the personal organizational and global dynamic discerning leaders consider the role of leadership and forgiveness in the midst of political and social upheaval The epicenter of Servant Leadership and Forgiveness speaks to leadership the heart of the leader and the power of forgiveness It is a compilation of insightful life transformative and significant essays on the nexus of servant leadership and forgiveness in everyday life the organizational world and international contexts The hope of the book is that people of all ages and creeds will engage in a deeper conversation around forgiveness and leadership specifically servant leadership and reach greater personal and collective responsibility for leadership that helps heal the heart of the world through forgiveness
