Subject Guide to Books in Print ,1991 *Rock & Pop on British TV* Jeff Evans,2017-02-16 When rock n roll arrived all Britain had were two black and white TV channels the BBC and the slightly racier ITV In just over a decade after the first dedicated music programme Cool For Cats aired in 1956 cheap black and white studio bound miming would give way to epic prog rock live performances as programme controllers were forced to accept the rise of the counter culture Eventually mammoth rock festivals would be enjoyed on multi channel high definition TV delivering more coverage than any one person attending the actual event could ever experience In *Rock Pop on British TV* Jeff Evans tells the whole story of how this entertainment medium morphed and grew as technology advanced and cultures changed In a world where music is available on demand 24 7 the story of Rock Pop On British TV takes you back to your youth whenever that was and the days when pop on TV was an eagerly anticipated greedily consumed and thrilling part of growing up in Britain This Omnibus Enhanced digital edition includes a Digital Timeline of the notable programmes discussed within the book and the 1 hits of the day illustrated with videos and images

[International Who's Who in Popular Music 2009](#) ,2009-03 A comprehensive guide to the people and organizations involved in the world of popular music *Pop Idols and Pirates* Charles Fairchild,2016-04-22 The music industry has been waging some very significant battles in recent years reacting to numerous inter related crises provoked by globalization digitalization and the ever more extensive commercialization of public culture These struggles are viewed by many as central to the survival of the central mediators in the consumption of popular music These battles are not just against piracy and the sharing of digital song files on the internet The music industry is also struggling to find ways to compete or integrate with many other forms of entertainment including films television programmes mobile phones DVDs and video games in an extremely crowded communications environment The battles currently being fought by the music industry are about nothing less than its continued ability to create and maintain specific kinds of profitable relationships with consumers This book presents two inter related cases of crisis and opportunity the music industry s epic struggle over piracy and the Idol phenomenon Both are explicit attempts to control and justify the particular ways in which the music industry makes money from popular music through specific kinds of relationships with consumers The battles over piracy have been fought with a remarkable collection of campaigns

consisting of advice coercion and argument about what is or is not the best way to consume music From these complicated and often contradictory campaigns we form an unusually clear picture of what many within the music industry imagine their industry to be In a complementary way Idol works to demonstrate the joy and pleasure of consuming popular music the right way By creating a series of intertwined relationships with consumers around multiple sites of consumption incorporating television radio live performance traditional print media campaigns text messaging and all manner of internet based systems of communication and fan management the producers of Idol present an ideal relationship between musicians and audiences Instead of focusing on selling CDs the music industry s digital Achilles heel Idol has given the music industry an integrated platform for displaying its expanded palette of products and venues for consumption When understood in specific relation to the battle against piracy Fairchild s analysis of Idol and the emerging promotional cultures of the music industry it exhibits shows how multiple sites of consumption and attempts to mediate and control the circulation of popular music are being used to combat the foundational challenges facing the music industry

Smash Pop Hits Dan Coates, John Brimhall, 2000 Titles and artists include All Star Smash Mouth As Long As You Love Me Backstreet Boys Back at One Brian McKnight You Drive Me Crazy Britney Spears From This Moment On Shania Twain Genie in a Bottle Christina Aguilera I Will Remember You Sarah McLachlan God Must Have Spent A Little More Time on You NSYNC No Scrubs TLC She s All I Ever Had Ricky Martin and many many more
