*Reformed and Feminist* Johanna W. H. Van Wijk-Bos, 1991-01-01 Explores the nature and function of Biblical authority in Christian feminism Drawing on her personal experiences of an early childhood spent in the Nazi occupied Netherlands and an adolescence in a faith community with a strong Calvinist cast the author illustrates the ways in which Biblical authority undergirds and expands feminist perspectives back cover

*Using God's Resources Wisely* Walter Brueggemann, 1993-01-01 New and different readings of biblical texts are one consequence of a growing awareness of the environmental crisis and how it relates to social relations especially in urban settings Walter Brueggemann explores readings from Isaiah and how they relate to the environment and urban crisis He approaches the readings as an artistic theological history of the city of Jerusalem a case study of urban environmental crisis that resulted from a lost sense of covenantal neighborliness Reflecting on Jerusalem its failure demise and prospect Brueggemann uncovers some alarming parallels in today's urban cities and offers a demanding but hopeful challenge to faith

*Elisha and the End of Prophetism* Wesley J. Bergen, 1999-05-01 The stories of Elisha the prophet have received scant attention in recent years perhaps because they are so enigmatic This study places the Elisha material firmly within the narrative of Genesis 2 Kings and examines the effect these stories have on the reader's perception of the role of the prophet Using the narratological theories of Mieke Bal David Jobling and others Bergen shows that the Elisha stories present prophetism in a negative light confining prophets to a rather limited scope of action in the narrative world

**God Saves** Rick Dale Moore, 1990-01-01 This fresh examination of the Elisha narratives found in 2 Kings 5 6 8 23 and 6 24 7 20 leads to a new interpretation of them as didactic salvation stories set against the Aramaean military threat to ninth century Israel Moore shows how an ingenious literary artistry converges powerfully with contextual dynamics to explicate the surprising and subtle saving actions of Yahweh in a troubled time Each of the stories offers its own fresh disclosure of the time worn tradition expressed in Elisha's own name God saves

*Marking Time* Barbara K. Lundblad, 2007 Turns the biblical text loose upon the world infusing both text and world with new transformative meaning

*Narrative Art, Political Rhetoric* Patricia Dutcher-Walls, 1996-01-01 Narrative rhetorical ideological and sociological methods reveal an intricately related set of meanings in 2 Kings 11 12

*Holman Old Testament Commentary - 1 & 2 Kings* Max Anders, Gary Inrig, 2003-10-01 One in a series of twenty Old Testament verse by verse commentary books edited by Max Anders Includes discussion starters teaching plan and more Great for lay teachers and pastors alike

Reliable Characters in the Primary History Paul J. Kissling, 1996-05-01 This volume challenges the assumptions that modern readers tend to make about four of the Hebrew Bible's most prominent heroes Using a form of reader response theory Kissling examines the assumption that these characters are primary vehicles of the narrator's point of view In three of the four cases it is concluded that traditional idealistic assumptions do not do justice to the textual evidence in its final form The work calls upon the reader to consider the subtlety of the means used in portraying these

heroes and gives evidence for the decidedly negative aspects in their portrayals *God in the Fray* Walter Brueggemann, Tod Linafelt, Timothy Kandler Beal, This volume engages the work of Walter Brueggemann most of which has been published by Fortress Press The volume centers on the character of God in the text of the Old Testament as a site of theological tension and even ambivalence Biblical faith never experiences God as entirely above the fray but rather as entangled in history astonishingly transformative and impinged upon by the voices of the suffering Brueggemann's monumental Theology of the Old Testament addresses this fact with great theological insight and rigor and the internationally renowned biblical scholars writing here engage and extend his insights into the unsettled Character at the center of the text Hope Within History Walter Brueggemann, 1987-01-01 Within a culture that is presently shaped by values of hopelessness Walter Brueggemann looks at the biblical text and finds the resources for a hope within history a hope that challenges hopelessness and despair Hope within History describes how individuals and churches can grow even when at odds with their social context addresses the theological question of how we experience hope in our historical biblical context and provides a model for faith development based on our understanding of hope within history as set forth in the biblical narrative 1 Kings Gene Rice, 1990-11-27 The book of 1 Kings tells of God's covenant people wrestling with the myriad problems of political existence from the last days of David to the time of Jehoshaphat and Ahaziah during the divided monarchy Recounting the past especially in light of the First and Second Commandments 1 Kings shows how Israel's history is related to their morality warns of the danger of a divided heart calls for obedience to God's commandments and summons the people to repentance and reform It is out of these concerns for ancient Israel Rice contends that 1 Kings speaks to the present it prods us to identify the equivalent of Canaanite religion in our own society to use Israel's experience in political issues as a mirror in which to evaluate our own efforts and to look for God's presence in the arena of public life and service Indeed Rice argues the basic affirmation of 1 Kings is that all nations not just Israel are under God *The New Interpreter's Bible: 1 & 2 Kings; 1 & 2 Chronicles; Ezra; Nehemiah, Nehemiah; Esther; Tobit; Judith*, 1994 **Power, Providence, and Personality** Walter Brueggemann, 1990-01-01 Prominent biblical scholar and author Walter Brueggemann studies three passages from the books of Samuel using the methods of literary criticism and rhetorical analysis He examines the ways the themes of power divine providence and David's personality cohere in the biblical narrative to explain David's rise to power and assumption of the kingship and his dominance over Saul **An Annotated Guide to Biblical Resources for Ministry** David R. Bauer, 2011-04-01 An Annotated Guide to Biblical Resources for Ministry evaluates over 2 000 books that were chosen because of their usefulness for the theological interpretation of the Bible within the context of the faith of the church significance in the history of interpretation and representation of evangelical scholarship This is one of those rare bibliographic guides that every student of religion seminarian and minister will want to have on his or her bookshelf The focus of this guide is on biblical studies It contains entries on 2 200 books written by 1 300 scholars Annotations describe and
