EXCERPT FROM THE BOOK Focal Points Every room needs a focal point The focal point of a room is the first thing you see when you enter the room or home It should be large enough to grab the viewer s attention and prepare them for the theme of the room For example if you have chosen to decorate your bedroom in butterflies you may want to make your focal point a large butterfly painting or print The focal point should be near the center or largest part of the room While the focal point should compliment the colors and patterns in the room it should not match them exactly If the room is a soft pastel pink color choose a focal point in a bright pink or a another pastel shade such as blue or purple This will prevent one color from overwhelming the room and make the room seem more organized and larger Keep the filters of the pool clean on a daily basis Not doing so can clog the pool with unwanted debris and cause it to work harder and drawing on more electricity Buy a copy to keep reading Bible Stories & Crafts for Holidays and Seasons Mary Tucker,2005 The Big Book of Holiday Paper Crafts Crafts Media LLC,2011 The Big Book of Holiday Paper Crafts Life s fun days are the focus of more than 450 cards gift bags boxes albums frames party accents and more from Paper Crafts magazine
