Craig Legacy:

Legacy Chris Coppel, 2021-04-28 Craig Edmonds and his young family are awoken at 2 AM by someone banging at their front door On their doorstep they find an unexpected delivery a large crate with a generic label addressed to his family Their remote house the lateness of the hour the unexpectedness of the delivery something feels wrong to Craig a sheriff in the high desert of southern Utah It has taken him years to recover from the psychological trauma he d undergone as an elite Marine sniper but his life was now simple and complete But then he opens the crate to discover an intricately carved wooden mirror Now Craig must fight an enemy far worse than any he d encountered in the Middle East Only this time he is battling against time and the embodiment of evil in a desperate attempt to save his family His mission will take him twenty five years into the past and six thousand miles from home in order to defeat the reanimation of a 16th century English witch in this spine chilling time travelling horror
