Author and Title Index**, 1975 *After Midnight: Selected Poems* Joseph Bobrow, 2017-02-26 Joseph Bobrow s poems are prayers for safe haven They are sutras for life for the protection of soldiers children mothers fathers everyone We can take refuge in our relationships with one another and in the beauty of the world Maxine Hong Kingston author activist and the recipient of the National Medal of Art from President Barack Obama Joseph Bobrow s poems know that every day we are dying and that every one of those dying days we are also fully alive He writes that memory and inclination are subject to conditions on the ground and so they are in these moving poems which are the gift of seeing and of the ability to respond to tragedy and delight in equal measure while weaving them into the fabric of a life fully realized Dan Gerber author of *Sailing through Cassiopeia* 2013 Book of the Year Award in Poetry from The Society of Midland Authors Joseph Bobrow s poems are down to earth meditations on the poignant mysteries of life love and loss Not one is abstract or philosophical every one is a Dharma talk with heart I kept touching into moments of Bobrow s experience that mirrored and enriched my own Bows David Richo author of *You Are Not What You Think The Egoless Path to Self Esteem and Generous Love* Reading Joe Bobrow s poetry makes me want to live more wildly more fully His poems live in an irresistible arc between the raw and vivid details of his precious life and a sense of vastness of spaciousness of universality I want to return to these poems again and again His voice makes me want to reply with my own poetry and to touch his voice in the darkness Stephen Cope best selling author of *The Great Work of Your Life and Yoga and the Quest for the True Self* In the dense moments of Bobrow s writing intensity hovers swells Pain and bliss rise fall rise again Which will it be moment to moment Where can we go when it is happening Seek

Spillway Ian Pople, 2022-06-30 Ian Pople is a man of the world He has travelled and taught in the UK Greece Sudan and Saudi Arabia His poems explore England the larger world and how changing perspectives readjust the sense of England and of home They deal with borders crossings closing boundaries They are about transitions in space and time the ways life and relationships change and adapt to illness love estrangement and loss The traveller changes identities as he moves responding to different surroundings and the early poems collected here provide a varied retrospect moving through Africa Europe and Asia so that we read the more recent work from a different perspective The travel poems explore the range of reactions appropriations and misappropriations as physical and psychological boundaries are crossed More recent writing responds to music and the visual arts using assemblages or bricolage to convey the painfully familiar experience of displacement dislocation There are poems that answer back to figures from jazz history Roland Kirk Dupree Bolton and Pat Metheny among them It is wonderful to encounter such an accomplished and varied body of work which shares with us its vivid spaces and tones Pople a lucid critic of modern and contemporary especially American poetry is an original artist in his own right
