Create Your Own Family Originals:

Create Your Own Family Originals Lucie Eggleston, Lucy Eggleston, Lucy Lewis, 2006 In this day of fast food instant messaging and cell phones Create Your Own Family Originals is a fun exciting and inspiring book to turn your thoughts to what is real and important in life family and friends This unique book will evoke a smile spark a memory and encourage celebrating special occasions in your own life and in the lives of those you love The book itself is a wonderful gift for family and friends Inside it is filled with meaningful and personal gift ideas for those very same people In our consumer crazed world we sometimes overlook the fact that a gift of memory a personal message of connection or a thoughtful gesture might have more value than all the tangible objects and monetary gifts in the world Family Originals focuses on this concept and promotes easy ways to share personal history unique moments and family lore with loved ones Story telling is a timeless way to communicate and this book is filled with real stories about real people Some humorous some historical and some poignant these stories translate into powerful messages For anyone who can identify with such phrases as My how time flies or Do you remember when or I wish I had asked my parents about that Create Your Own Family Originals is a special find

ORIGINAL VALUE Stephan P. Winter, 2018-08-25 In a world filled with chaos and confusion about our self worth lack of confidence and naivete towards life we need a true standard of value for which to frame our lives by We need to pull from the wisdom of the past that guided our ancestors to become people of great value shaping our society by fighting for freedom and the courage to take responsibility for our lives Original Value is a powerful textbook that elucidates life s big purpose and why we desire growth and progression It goes deep into the science of our identity and how to create a life that delivers value and happiness

Checkmate Gennaro Buonocore, 2020-11-24 A thoughtful and insightful exploration of the intricate dynamics shaping contemporary issues in the Middle East Checkmate is a comprehensive look into the current Middle Eastern political and strategic reality which views the region as a giant chessboard to better understand the relationship between the players However in viewing the complexities of the Middle East it is important to understand that strategy is not everything This is a region of the world

where emotions passions and cultural heritage have played the protagonists roles Considering historical implications memories both physical and emotional and the unfortunate consequences of cultural displacements this essay explores the effects on social identities which may result in prolonged strife and conflict This work does not attempt to be a sociology treatise nor a policy paper Rather it is a collection of personal observations and experiences placed in the context of historical events It focuses on the Middle East but the concept could be applied to any area of the world With this book the author suggests that conflict in the greater Middle East cannot be mitigated until Western expectations are modified to include an understanding of the effects that cultural heritage has on regional dynamics
