## **Created Equal A Social And Political History Of The United:**

Created Equal Jacqueline Tyler Jones, Thomas Borstelmann, Vicki L. Ruiz, 2004-03 American history consists of many stories the story of territorial growth and expansion the story of the rise of the middle class the story of technological innovation and economic development and the story of U S engagement with the wider world This book incorporates these traditional narratives into a new interpretation of American history one that includes the stories of diverse groups of people and explores expanding notions of American identity The book s basic framework focuses on the political events and economic structures discussed in most American history textbooks This book aims not to overturn the familiar chronology of American history but to incorporate into it a variety of groups and individuals whose stories help us to provide an accurate comprehensive and compelling view of the past Pref Clashes of Will Jacqueline Jones, John Broesamle, Anthony Arthur, Peter H Wood, Thomas Borstelmann, Elaine Tyler May, Vicki L Ruiz, 2008-06-30 *Created Equal* Jacqueline Jones, Peter H Wood, Thomas Borstelmann, Elaine Tyler May, Vicki L Ruiz, 2006-06-09 Supplement: Created Equal: A Social and Political History of the United States, Volume II, Unbound (for Books a la Carte Plus) - C , 2009-01-01 Created Equal Jacqueline Jones, 2003 **Created Equal** Jacqueline Jones, Peter H. Wiseman, 2021-04-22 This book examines the discourses on nation building civic identity minorities and the formation of religious identities in school textbooks worldwide It offers up to date practical and scholarly information on qualitative and mixed method textbook analysis as well as the broader context of critical comparative textbook and curriculum analyses in and across selected countries The volume offers unique and empirical research on how internal educational policies and ideological goals of dominant social political and economic groups affect textbook production and the curricular aims in different educational systems worldwide Chapters address the role of school textbooks in developing nationhood the creation of citizenship through school textbooks the

complexity of gender in normative discourses and the intersection of religion and culture in school textbooks Race Work Matthew C. Whitaker, 2007-08-01 Nearly sixty years ago Lincoln and Eleanor Ragsdale descended upon the isolated somewhat desolate and entirely segregated city of Phoenix Arizona in search of freedom and opportunity a move that would ultimately transform an entire city and arguably the nation Race Work tells the story of this remarkable pair two of the most influential black activists of the post World War II American West and through their story supplies a missing chapter in the history of the civil rights movement American race relations African Americans and the American West Matthew C Whitaker explores the Ragsdales family history and how their familial traditions of entrepreneurship professionalism activism and race work helped form their activist identity and placed them in a position to help desegregate Phoenix His work the first sustained account of white supremacy and black resistance in Phoenix also uses the lives of the Ragsdales to examine themes of domination resistance interracial coalition building race gender and place against the backdrop of the civil rights and post civil rights eras An absorbing biography that provides insight into African Americans quest for freedom Race Work reveals the lives of the Ragsdales as powerful symbols of black leadership who illuminate the problems and progress in African American history American Western history and American history during the post World War II era **Winning While Losing** Kenneth Osgood, Derrick E. White, 2017-10-23 Explores the paradoxical nature of racial politics in the post civil rights period Does us the service of detailing how different presidential administrations handled civil rights complicating our understanding of the major themes that defined the era American Historical Review Adds depth to our historical understanding of how various presidents and their administrations approached issues pertaining to the equal rights of black and to a lesser extent Hispanic Americans in a number of institutional and legislative arenas Journal of American History Expertly links executive decision making and electoral strategizing with the politics of civil rights Journal of American Studies Examines the forward and backward movement of civil rights since the resurgence of conservative politics in 1968 Welcome and helpful Journal of Southern History An invaluable addition to the rapidly developing historiography of neoconservatism particularly the ideology's relationship with African Americans Louisiana History A striking example of a successful meshing of historical and political science methodologies and scholarship North Carolina Historical Review This remarkable study offers breakthrough findings and insights about the state of civil rights policies in the post civil rights era Hanes Walton Jr coauthor of American Politics and the African American Quest for Universal Freedom Eschewing easy absolutes Winning While Losing presents a carefully nuanced interpretation of the subtle gains and losses experienced by liberals and conservatives by Democrats and Republicans and by proponents of racial justice and their opponents Harvard Sitkoff author of Toward Freedom Land Insightful and fascinating Sets an agenda for further scholarly debate about the puzzle of winning while losing that defines the fortunes of civil rights and the stratagems of politicians over the past generation Robert Mason author of Richard Nixon and the Quest for a New Majority A comprehensive account of the links

between racism conservatism and presidential politics in the post civil rights era Greta de Jong author of Invisible Enemy The African American Freedom Struggle after 1965 During the four decades separating the death of Martin Luther King and the election of Barack Obama the meaning of civil rights became increasingly complex Civil rights leaders made great strides in breaking down once impermeable racial barriers but they also suffered many political setbacks in their attempts to remedy centuries of discrimination Complicating matters the conservative turn in American political life transformed the national conversation about race and civil rights in surprising ways This pioneering collection of essays explores the paradoxical nature of civil rights politics in the years following the 1960s civil rights movement by chronicling the ways in which presidential politics both advanced and constrained the quest for racial equality in the United States **Created Equal** Jacqueline Jones, Professor of History and Director of Graduate Studies Peter H Wood, Peter H.
