Make America Christian Again Greg Koehn Ph.D,2023-10-17 Obviously this book finds its title from the slogan created by former president

Donald Trump Make America Great Again This book is intended to argue that for America to be great it must be Christian This does not mean that other religions are not welcome as has never been the case in America but rather as a country based upon biblical principles there has always been true freedom of religion The point being that this country was founded upon the teachings of the Bible which is why there is freedom of religion each person is free to choose for themselves either heaven or hell This book is divided into three sections the first one discussing the fact that America was founded as a Christian nation and as such it grew to be the most powerful and prosperous nation on the earth Since departing from the Bible its teachings and its God America is now in a steep decline The second section discusses the 5 main institutions of any society and how that in each case they work better when they follow the teachings and principles of the Bible The final section is what can still be done to turn America back to its roots and back to the Bible As Bible believers we know the time is short and the coming of our Lord to take home His people and to judge the world in His righteousness is indeed imminent But in these last days lest us not be lax in the preaching of the gospel and making a stand for the things that are holy Let us get off of our seats onto our feet and into the streets to be as the prophets of old and declare that thus says the Lord
