**Creating Significant Learning Experiences** L. Dee Fink, 2013-07-31 Dee Fink challenges our conventional assumptions and practices and offers an insightful approach to expanding our learning goals making higher education more meaningful This is a gem of a book that every college teacher should read Ken Bain author *What the Best College Students Do* Since the original publication of L Dee Fink's *Creating Significant Learning Experiences* higher education has continued to move in two opposite directions more institutions encourage faculty to focus on research obtaining grants and publishing while accreditation agencies policy makers and students themselves emphasize the need for greater attention to the quality of teaching and learning Now the author has updated his bestselling classic providing busy faculty with invaluable conceptual and procedural tools for instructional design Step by step Fink shows how to use a taxonomy of significant learning and systematically combine the best research based practices for learning centered teaching with a teaching strategy in a way that results in powerful learning experiences This edition addresses new research on how people learn active learning and student engagement includes illustrative examples from online teaching and reports on the effectiveness of Fink's time tested model Fink also explores recent changes in higher education nationally and internationally and offers more proven strategies for dealing with student resistance to innovative teaching Tapping into the knowledge tools and strategies in *Creating Significant Learning Experiences* empowers educators to creatively design courses that will result in significant learning for their students As thought provoking and inspiring today as it was when it was first published it is a must for anyone serious about creating courses that challenge students to learn deeply Elizabeth F Barkley author *Student Engagement Techniques*

*Creating Significant Learning Experiences* L. Dee Fink, 2003-06-17 Dee Fink poses a fundamental question for all teachers How can I create courses that will provide significant learning experiences for my students In the process of addressing this question he urges teachers to shift from a content centered approach to a learning centered approach that asks What kinds of learning will be significant for students and how can I create a course that will result in that kind of learning Fink provides several conceptual and procedural tools that will be invaluable for all teachers when designing instruction He takes important existing ideas in the literature on college teaching active learning educative assessment adds some new ideas a taxonomy of significant learning the concept of a teaching strategy and shows how to systematically combine these in a way that results in powerful learning experiences for students Acquiring a deeper understanding of the design process will empower teachers to creatively design courses for significant learning in a variety of situations

*Creating Significant Learning Experiences* L. Dee Fink, [Developing High-Impact Course Design Institutes](#) Jordan D. Troisi, Michael S. Palmer, Mary C. Wright, Lori A. Hostetler, Carol A. Hurney, 2025-02-17 Drawing on the authors extensive experience and robust survey data this critical resource unpacks the inner workings of one of the most powerful mechanisms for improving teaching and learning in higher education the course design institute CDI CDIs are

intensive often multi day facilitated experiences where instructors design or redesign a course based on learning focused and equity minded teaching and learning principles This resource offers a comprehensive introduction to CDIs discussing both key elements and why they are worth the time and investment to design implement and assess The chapters cover the values structures and approaches that designers use to develop CDIs along with evidence of their transformative impact on instructors and institutional teaching cultures The book also provides institutional leaders the rationale and evidence needed to support investment decisions Developing High Impact Course Design Institutes is a playbook providing educational developers with the critical background knowledge and vetted direction needed to launch or refine their own CDIs
