Creating The National Pastime:

Creating the National Pastime G. Edward White, 2014-04-10 At a time when many baseball fans wish for the game to return to a purer past G Edward White shows how seemingly irrational business decisions inspired in part by the self interest of the owners but also by their nostalgia for the game transformed baseball into the national pastime Not simply a professional sport baseball has been treated as a focus of childhood rituals and an emblem of American individuality and fair play throughout much of the twentieth century It started out however as a marginal urban sport associated with drinking and gambling White describes its progression to an almost mythic status as an idyllic game popular among people of all ages and classes He then recounts the owner s efforts often supported by the legal system to preserve this image Baseball grew up in the midst of urban industrialization during the Progressive Era and the emerging steel and concrete baseball parks encapsulated feelings of neighborliness and associations with the rural leisure of bygone times According to White these nostalgic themes together with personal financial concerns guided owners toward practices that in retrospect appear unfair to players and detrimental to the progress of the game Reserve clauses blacklisting and limiting franchise territories for example were meant to keep a consistent roster of players on a team build fan loyalty and maintain the game s local flavor These practices also violated anti trust laws and significantly restricted the economic power of the players Owners vigorously fought against innovations ranging from the night games and radio broadcasts to the inclusion of African American players Nonetheless the image of baseball as a spirited civic endeavor persisted even in the face of outright corruption as witnessed in the courts leniency toward the participants in the Black Sox scandal of 1919 White s story of baseball is intertwined with changes in technology and business in America and with changing attitudes toward race and ethnicity The time is fast approaching he concludes when we must consider whether baseball is still regarded as the national pastime and whether protecting its image is worth the effort

Creating the National Pastime G. Edward White, 1998-02-22 Baseball started out as a marginal urban sport associated with drinking and gambling

The Black Athlete as Hero Joseph Dorinson, 2022-11-11 Part history part biography this study examines the Black athlete s search to unify what W E B DuBois called the two unreconciled strivings of African Americans the struggle to survive in black society while adapting to white society Black athletes have served as vanguards of change challenging the dominant culture crossing social boundaries and raising political awareness Champions like Joe Louis Jackie Robinson Muhammad Ali Jim Brown Wilma Rudolph Roberto Clemente Althea Gibson Arthur Ashe Serena Williams Kareem Abdul Jabbar and LeBron James make a difference even as many in the Black community question the idea of athletes as role models The author argues the importance of sports heroes in a panic plagued era beset with class division and racial privilege

American National Pastimes - A History Mark Dyreson, Jaime Schultz, 2016-04-14 When the colonies that became the USA were still dominions of the British Empire they began to imagine their sporting pastimes as finer recreations than even those enjoyed in the motherland From the war of

independence and the creation of the republic to the twenty first century sporting pastimes have served as essential ingredients in forging nationhood in American history This collection gathers the work of an all star team of historians of American sport in order to explore the origins and meanings of the idea of national pastimes of a nation symbolized by its sports These wide ranging essays analyze the claims of particular sports to national pastime status from horse racing hunting and prize fighting in early American history to baseball basketball and football more than two centuries later These essays also investigate the legal political economic and culture patterns and the gender ethnic racial and class dynamics of national pastimes connecting sport to broader historical themes American National Pastimes chronicles how and why the USA has used sport to define and debate the contours of nation This book was published as a special issue of the International Journal of the History of Sport

A Brand New Ballgame G. Scott Thomas, 2021-12-09 America grew rapidly after World War II and the national pastime followed suit Baseball dramatically changed from a 19th century pastoral relic to a continental modern sport Six Major League clubs relocated to new cities capped by the coast to coast moves of the Brooklyn Dodgers and New York Giants Four expansion teams were created from thin air Dozens of black stars emerged after Jackie Robinson broke the color barrier The players formed a union higher salaries materialized This book tells the story of baseball s metamorphosis 1945 1962 driven by larger than life personalities like the bombastic Larry MacPhail the sage Branch Rickey the kindly Connie Mack the quick witted Bill Veeck and the wily Walter O Malley Hall of Famers all The upheaval they sparked and sometimes failed to control would broaden the sport s appeal setting the stage for tremendous growth in the half century to come

National Pastime Stefan Szymanski, Andrew S. Zimbalist, 2006-05-24 Szymanski and Zimbalist pay special attention to the rich and complex evolution of baseball from its beginnings in America and they trace modern soccer from its foundation in England through its subsequent expansion across the world

One Man Out Robert Michael Goldman, 2008 Chronicles star baseball player Curt Flood s attempt to overthrow the reserve clause system of professional baseball which bound players to teams as a form of property Although he lost his legal battle the Court left the door open for the players to eventually negotiate a version of free agency

Handbook on the Economics of Sport Wladimir Andreff, Stefan Szymanski, 2006 The editors should be commended for taking on such a big task and succeeding so well This book should be in the library of every institution where students have to write a paper that may be related to sport or on the shelf of any lecturer teaching economics or public finance who has even a remote interest in sport The material is very accessible and useful in many different settings Ruud H Koning Jahrb cher f National konomie u Statistik Edward Elgar s brilliant market niche is identifying a topic in economics finding editors who know the area backwards and challenging them to assemble the best cross section of relevant articles either already published or newly commissioned Handbook on the Economics of Sport is Edward Elgar at its very best If you love economics you ll find many fascinating insights here if you love sport but know little economics then this book is mostly accessible and will teach you a lot and if you are a sports mad economist then you

will be in hog heaven Furthermore if like this reviewer you are broadly very sceptical about the reports consultants produce for governments on the supposed economic windfall from hosting a big event or subsidising a stadium then you will get a lot of good counter arguments in this volume Indeed there are several chapters on the above theme that I m sure I ll be copying frequently to government officials in years to come The demand for sport is a fascinating subject and it is hard to pick out just one chapter from the second section Read them all they make a wonderful 65 page treat Part VI was a real feast a smorgasbord This is a magnificent piece of work and the 36 page index rounds it all off splendidly John Blundell Economic Affairs The book covers the most important areas of research of an emerging economic sub discipline spanning the past half a century It serves admirably the purpose of an introduction into the rich and growing area of reflection for all concerned the editors and authors of the Handbook have done a commendable job of accumulating sophisticated material for many economists managers politicians and self conscious fans who are sure to find excellent training ground for the whole heptathlon This book will be invaluable for advanced students investigating professional sport From the point of view of lawyers particularly those engaged with the relationship between law and sports governance the Handbook offers invaluable analysis of the economic issues that are alluded to in those debates but rarely examined in detail These insights will also prove useful for policy analysts and sports administrators for whom many sections should be considered mandatory reading Aleksander Sulejewicz Journal of Contemporary European Research Over 800 pages on the economics of sport What a feast What a treat The editors have done a wonderful job both in terms of breadth from David Beckham to child labour in Pakistan and depth tournaments and luxury taxes for example The 86 chapters are uniformly of a very high standard and illuminating And there are real gems in some of the contributions British Journal on the Economics of Sport This very interesting and comprehensive book achieves its objective namely to present an overview of research in sports economics at an introductory level The editors have produced an excellent reference book that belongs in all academic institutions libraries It provides extensive introduction to the growing body of literature in the rising field of economics of sport The book s relevant monographs should be read by institutions cities and countries prior to their committing major resources towards sports facilities or a sporting event James Angresano Journal of Sports Economics One could think of this book as the sports and economics counterpart to Joy of Cooking because it will satisfy the needs of those with a keen interest in such subjects as the

Herb Pennock Keith Craig,2016-04-29 Herbert Jefferis Pennock 1894 1948 was a Hall of Fame pitcher for the dynastic 1920s New York Yankees Considered one of the best left handed pitchers in history Pennock won 241 games on the mound never lost in his five World Series starts and came within four outs of pitching the first no hitter in a World Series in 1927 More than just a great pitcher Pennock was well respected by teammates and locals alike He was known as a principled practical gentleman with an intellect that matched his pitching skills and a humanity that bested both In Herb Pennock Baseball s Faultless Pitcher Keith Craigrecounts Pennock s ascent from well to do Kennett Square to the heights of major

league baseball Signed by the Philadelphia A s legendary Connie Mack as an 18 year old school boy Pennock would flourish into a dependable pitcher for the New York Yankees He was part of the iconic Murderer s Row team and played a crucial role in their World Series victories For 22 seasons Pennock s forte was control not power he studied each hitter every at bat and exploited all weaknesses When Pennock s playing career came to an end he used that same single minded diligence as the General Manager of the woeful Philadelphia Phillies where he reinvented the team through the careful development of its farm system that resulted in the 1950 pennant winning Whiz Kids Including interviews with Pennock s family members and Kennett Square residents who personally knew the baseball legend Herb Pennock Baseball s Faultless Pitcher is the first biography to paint such a complete picture of Pennock and the times he lived in Featuring original photographs provided by his family this book delivers an invaluable look into the life of a great ballplayer savvy front office executive and honorable man

Babe Ruth and the Creation of the Celebrity Athlete Thomas Barthel, 2018-07-25 From his first year in the majors George Herman Babe Ruth knew he could profit from celebrity Babe Ruth Cigars in 1915 marked his first attempt to cash in Traded to the Yankees in 1920 he soon signed with Christy Walsh baseball s first publicity agent Walsh realized that stories of great deeds in sports were a commodity and in 1921 sold Ruth s ghostwritten byline to a newspaper syndicate for 15 000 187 000 today Ruth hit home runs while Walsh s writers made him a hero crafting his public image as a lovable scalawag Were the stories true It didn t matter they sold Many survive but have never been scrutinized until now Drawing on primary sources this book examines the stories separating exaggerated facts from clear falsehoods This book traces Ruth s ascendance as the first great media created superstar and celebrity product endorser *Regulating the National Pastime* Jerold J. Duquette, 1999-11-30 Major League Baseball alone among industries of its size in the United States operates as an unregulated monopoly This 20th century regulatory anomaly has become known as the baseball anomaly Major League Baseball developed into a major commercial enterprise without being subject to antitrust liability Long after the interstate commercial character of baseball had been established and even recognized by the Supreme Court baseball s monopoly remained free from federal regulation Duquette explains the baseball anomaly by connecting baseball s regulatory status to the larger political environment tracing the game s fate through four different regulatory regimes The constellation of institutional ideological and political factors within each regulatory regime provides the context for the survival of the baseball anomaly Duquette shows baseball s unregulated monopoly persists because of the confluence of institutional ideological and political factors which have prevented the repeal of baseball s antitrust exemption to date However both the institutional and ideological factors are fading fast Baseball s owners can no longer claim special cultural significance in defense of their exemption Nor can they credibly claim that the commissioner system approximates government regulation effectively Both of these strategies have been discredited by the labor unrest of the 1980s and 1990s Duquette provides a unique perspective on American regulatory politics and by explaining a complicated story in comprehensive prose he has

given researchers policy makers and fans a fascinating look at the business of baseball

Sport Marketing Bernard James Mullin, Stephen Hardy, William Anthony Sutton, 2007 This student text provides a foundation of theory and principles for those seeking sports management position It provides an overview of the reasons and foundations for sport marketing as well as theoretical and research issues and why market segmentation is important

Diamonds Are Eternal: A Celebration of Our National Pastime Pasquale De Marco, 2025-05-23 In Diamonds Are Eternal A Celebration of Our National Pastime we take you on a journey into the heart of baseball America s beloved pastime From the crack of the bat to the roar of the crowd this book captures the magic of the game and explores its enduring allure Through interviews with players coaches and fans as well as archival research and expert analysis we delve into the stories of baseball s heroes from legendary players to unsung heroes We examine the strategies and skills that make baseball such a captivating sport from the art of pitching to the science of hitting We also explore the impact of baseball on American identity examining how the game has reflected and shaped the nation s values and identity From the early days of the game to the modern era baseball has been a constant presence in American life providing a sense of unity and community Furthermore we investigate the challenges facing baseball in the 21st century including the changing landscape of the game the role of technology and the efforts to attract new fans We also look to the future of baseball considering how the game can continue to thrive and captivate audiences for generations to come Whether you are a lifelong fan or new to the game Diamonds Are Eternal offers a comprehensive and engaging look at the history culture and significance of baseball in America With its captivating stories insightful analysis and stunning photography this book is a celebration of our national pastime and a testament to its enduring legacy In the end Diamonds Are Eternal is more than just a book about baseball it is a love letter to the game that has captured the hearts of millions It is a reminder of the joy camaraderie and life lessons that baseball has taught us and why it continues to hold a special place in our culture If you like this book write a review on google books

Making the American Team Mark Dyreson, 2024-04-22 Sport dominates television and the mass media Politics and business are a bustle with sports metaphors Endorsements by athletes sell us products Home run slam dunk and the rest of the vocabulary of sport color daily conversation Even in times of crisis and emergency the media reports the scores and highlights Marky Dyreson delves into how our obsession with sport came into being with a close look at coverage of the Olympic Games between 1896 and 1912 How people reported and consumed information on the Olympics offers insight into how sport entered the heart of American culture as part of an impetus for social reform Political leaders came to believe in the power of sport to revitalize the republican experiment Sport could instill a new sense of national identity that would forge a new sense of community and a healthy political order while at the same time linking America s intellectual and power elite with the experiences of the masses

Building the Nation Heather Selma Gregg, 2018-12-01 Building the Nation draws from foreign policy reports and interviews with U S military officers to investigate recent U S led efforts to nation build in Iraq and Afghanistan Heather

Selma Gregg argues that efforts to nation build in both countries focused more on what should be called state building or how to establish a government rule of law security forces and a viable economy Considerably less attention was paid to what might truly be called nation building the process of developing a sense of shared identity purpose and destiny among a population within a state s borders and popular support for the state and its government According to Gregg efforts to stabilize states in the modern world require two key factors largely overlooked in Iraq and Afghanistan popular involvement in the process of rebuilding the state that gives the population ownership of the process and its results and efforts to foster and strengthen national unity Gregg offers a hypothetical look at how the United States and its allies could have used a population centric approach to build viable states in Iraq and Afghanistan focusing on initiatives that would have given the population buy in and agency Moving forward Gregg proposes a six step program for state and nation building in the twenty first century stressing that these efforts are as much about how state building is done as they are about specific goals or programs

The National Pastime: A Review of Baseball History Edited by John Thorn,2014-12 Back in 1982 the Society for American Baseball Research was still young barely a decade past its founding and had grown to some 1600 members One of their number a defrocked English Lit guy poking around in journalism suggested to the board of directors that SABR and the world might benefit from a publication along the lines of American Heritage only about baseball Before long that member John Thorn found himself at the helm of the newly christened periodical The National Pastime A Review of Baseball History The very first issue included names we think of today as luminaries in the field of baseball history and analysis Harold Seymour Lawrence S Ritter Pete Palmer David Voigt Bob Broeg and more Over the years the significance of that flagship issue has only grown while the inventory has dwindled SABR is pleased to present a replica edition here with the addition of a new preface by John Thorn now the official historian of Major League Baseball This issue includes Nate Colbert s Unknown RBI Record by Bob Carroll Nineteenth Century Baseball Deserves Equal Time by Art Ahrens Dandy at Third Ray Dandridge by John B Holway How Fast Was Cool Papa Bell by Jim Bankes The Field of Play by David Sanders Ladies and Gentlemen Presenting Marty McHale by Lawrence S Ritter Remembrance of Summers Past by Bob Broeg The Merkle Blunder A Kaleidoscopic View by G H Fleming A Tale of Two Sluggers Roger Maris and Hack Wilson by Don Nelson Baseball s Misbegottens Expansion Era Managers by David Voigt The Early Years A Gallery by Mark Rucker and Lew Lipset The Egyptian and the Greyhounds by Lew Lipset All the Record Books Are Wrong by Frank J Williams Goose Goslin s Induction Day by Lawrence S Ritter The Great New York Team of 1927 and It Wasn t the Yankees by Fred Stein Modern Times A Portfolio by Stuart Leeds Books Before Baseball A Personal History by Harold Seymour Ph D Ballparks A Quiz by Bob Bluthardt Runs and Wins by Pete Palmer Baltimore the Eastern Shore and More by Al Kermisch David and Goliath Figures by Ted DiTullio Double Joe Dwyer A Life in the Bushes by Gerald Tomlinson [Surfing the Long Wave](#) Charles Leadbeater,Kate Oakley,2001 *National Parks Beyond the Nation* Adrian Howkins,Jared Orsi,Mark Fiege,2016-03-31 The

idea of a national park was an American invention of historic consequences marking the beginning of a worldwide movement the U S National Park Service asserts in its 2006 Management Policies National Parks beyond the Nation brings together the work of fifteen scholars and writers to reveal the tremendous diversity of the global national park experience an experience sometimes influencing sometimes influenced by and sometimes with no reference whatever to the United States Writer and historian Wallace Stegner once called national parks America s best idea The contributors to this volume use that exceptionalist claim as a starting point for thinking about an international history of national parks They explore the historical interactions and influences intellectual political and material within and between national park systems in Canada New Zealand South Africa Indonesia Antarctica Brazil and other countries What is the role of science in the history of these preserves Of politics What purposes do they serve Conservation Education Reverence toward nature Tourist pleasure People have thought differently about national parks at different times and in different places and neat physical boundaries have been disrupted by wandering animals human movements the spread of disease and climate change Viewing parks around the world at various scales and across national frontiers these essays offer a panoptic view of the common and contrasting cultural and environmental features of national parks worldwide If national parks are as Stegner said absolutely American they are no less part of the world at large National Parks beyond the Nation tells us as much about the multifarious and changing ideas of nature and culture as about the framing of those ideas in geographic temporal and national terms

Making Men: Rugby and Masculine Identity Timothy J.L. Chandler, John Nauright, 2013-01-11 This text looks at how an understanding of rugby can provide insight into what it has meant to be a man in societies influenced by the ideals of Victorian upper and middle classes It shows that rugby has been a means of promoting male exclusivity but also been a means of cultural incorporation
