Creative Christian Marriage Mark Lee,1977 Creative Christian Marriage Mark Lee, 1977-09 The Mystery of Christian Marriage Peter Jeffery, 2006 Peter Jeffery explores in depth the Catholic tradition which has shaped our teaching and our living following two principal themes marriage as covenant and family as a domestic church He shows how the family with all its relationships is sacramental Eros and Creativity in Russian Religious Renewal Anna Lisa Crone, 2010-01-19 This book is a fascinating exploration of largely uncharted territory in the history of Russian religious thought Focusing on four brilliant representatives of the Russian religious renaissance of the late nineteenth and early twentieth centuries Vladimir Solovyov Vasily Rozanov Nikolai Berdyaev and Boris Vysheslavtsev Anna Lisa Crone masterfully details their efforts which were at first quite independent of the work of Sigmund Freud and later highly critical of it to establish the importance of the sex drive in human life and to reinterpret Christianity as a religion of the flesh as well as the spirit Crone's use of the concept of sexual sublimation developed by Solovyov and Rozanov before Freud had described it and its connection with human creativity is the perfect foil for bringing out and clarifying the agreements and differences between the Russian religious thinkers on the one hand and the secular psychoanalysts such as Freud Carl Jung and Otto Rank on the other New light is cast on all these figures by Crone's adroit analyses which will also be welcomed by anyone interested in the roots of creativity the cultural significance of sexuality or the essence of Christianity James P Scanlan Professor Emeritus of Philosophy The Ohio State University Christian Marriage David Michael Thomas, 1992 This book represents a theology of marriage It is not intended as a manual for solving marital problems or as a self help guide on how to improve one s marriage Rather its basic goal is to bring forward into our time with all its uniqueness and peculiarities major insights of the Christian faith as they relate to married life Through the love of wife and husband woman and man through loving words pronounced in public in formal ceremony and unfolded in the time that ensues through the couple s collaboration with God's creative power in brining new life into the world through the spirituality lived in transforming creation the sacrament of marriage brings the Spirit of God into the world Each couple has the power to block this process but what is more important to affirm is their capacity to advance it And it happens From Chapter 1 The Liturgy That Does <u>Justice</u> James L.
