Dave Gelly, 2019-02-14 For its initiates jazz is instinctive and engaging the way that popular music should be For non aficionados it can be slippery and difficult to grasp without familiar forms or a hard and fast format and largely ruled by improvisation jazz leaves the novice baffled not sure how to listen and asking how is it that they know what to play 30 Second Jazz explains in easy short riffs that keep you engaged taking readers from the African American roots of jazz all the way to today s global mix of musicians and styles Along the way it looks at the shape style and instruments of jazz at key personalities and recordings in the jazz canon and at what might be expected next from this most diverse of musical forms

Improvisation Games for Classical Musicians Jeffrey Agrell, 2008 Why don t classical musicians improvise Why do jazz players get to have all the fun And how do they develop such fabulous technique and aural skills With these words Jeffrey Agrell opens the door to improvisation for all non jazz musicians who thought it was beyond their ability to play

extemporaneously Step by step Agrell leads through a series of games rather than exercises The game format takes the pressure off of classically trained musicians steering them away from their fixation on mistake free performance and introducing the basic concepts of playing with music itself instead of obsessing over a perfect rendition of a written score Agrell draws an analogy with sports that illustrates the absurdity of the traditional approach to classically oriented music performance
