Craig And The Midas Touch:

Craig and the Midas Touch Kenneth Benton, The oil rich middle eastern state of Jubayl is peacefully led by a long serving and well respected Emir but that peace is shattered when his son and heir is found weighted in a watery grave beneath a leased oil rig Peter Craig overseas police adviser for the British Government is in the region lecturing on counterinsurgency when his Embassy proffers his services to help find the killer The chief suspect an oil company worker with motive his ex girlfriend s liaisons with the dead sheikh looks to have been framed but the evidence against him is damning unless Craig can present proof that he has been set up and find another credible suspect How is the sale of the oil platform to a neighbouring state linked to a local pimp and businessman And who has most to gain from the death What had the Sheikh s network of spies discovered When the final events of the intricate grand plan start to play out the stakes are far higher than Craig could have anticipated and will call on all his skills and experience to avert international disaster in the Middle East Craig and the Midas Touch Kenneth Benton,1976 Going for the Gold Tim Wendel,2010-01-14 This is the true inside story of the Miracle on Ice in which a ragtag team of collegiate and amateur athletes united in the shadow of the Cold War to defeat the seemingly invincible Soviet ice hockey team at the 1980 Winter Olympics Sixty two action photographs complement this triumphant tale **Dreality** Dog Ear Publishing, LLC,2007-07 A year into marriage Jack Culligan s ambition of assuming a paternal role to his two stepsons introverted Chris and rebellious Ricky is proving nothing more than a pipe dream His wife Betty has all but given up on her husband when Jack in an act of desperation moves the family out of Baltimore to his nearby hometown of Creighton That summer a city street becomes the stage for a gruesome suicide Nine months later two of the witnesses Jack and Chris find themselves experiencing nightmares so realistic they fear not only for their sanity but for their lives The shared dilemma draws the boy and his stepdad together in an effort to stop the tidal wave of Dreality from washing away their dream of becoming a family *Twentieth Century Crime & Mystery Writers* NA NA,2015-12-25 *Mystery Fanfare* Michael L. Cook,1983 This work is a composite index of the complete runs of all mystery and detective fan magazines that have been published through 1981 Added to it are indexes of many magazines of related nature This includes magazines that are primarily oriented to boys book collecting the paperbacks and the pulp magazine hero characters since these all have a place in the mystery and detective genre **The Mystery Fancier** William F. Deeck,2008-08-01 A bibliography of various mystery novels published between November 1976 and Fall 1992 Spies and Holy Wars Reeva S. Simon,2010-11-15 Illuminating a powerful intersection between popular culture and global politics *Spies and Holy Wars* draws on a sampling of more than eight hundred British and American thrillers that are propelled by the theme of jihad an Islamic holy war or crusade against the West Published over the past century the books in this expansive study encompass spy novels and crime fiction illustrating new connections between these genres and Western imperialism Demonstrating the social implications of the popularity of such books Reeva Spector Simon covers how the Middle Eastern villain evolved from

being the malleable victim before World War II to the international techno savvy figure in today's crime novels. She explores the impact of James Bond pulp fiction and comic books and also analyzes the ways in which world events shaped the genre particularly in recent years. Worldwide terrorism and economic domination prevail as the most common sources of narrative tension in these works while military tech novels restored the prestige of the American hero in the wake of post Vietnam skepticism. Moving beyond stereotypes, Simon examines the relationships between publishing trends, political trends and popular culture at large, giving voice to the previously unexamined truths that emerge from these provocative page turners.

An all expense paid vacation. Sharing a house with a sexy hunk. Prim and proper Penelope Grey should have said no. A woman like her didn't have affairs. And a bachelor like Craig Derring wasn't the marrying kind. What man wouldn't succumb? With her lacy collars and flannel pajamas Penelope Grey was everything Craig never wanted in a woman. He was certainly in no danger of falling for his matchmaking father's marriage trap. Then Penelope let down her hair and Craig started whistling the wedding march. **MILLION DOLLAR MARRIAGES** Lori Herter's irresistible new miniseries about saying I do.
