Death in Double Mocha Suzan Harden, 2022-09-15. Dani Elante's alter ego Death felt the wrongness of the dead rising even though the world rejoiced in the return of their lost loved ones. Or will Satan convince her to let Heath live and as a result destroy the universe?

The Invisible Web, 1991-12-01. Bringing new focus to the subject, THE INVISIBLE WEB investigates the family from a feminist perspective. Using the lens of gender connections between mothers and daughters, fathers and daughters, mothers and sons, and husbands and wives are analyzed and given new meaning. The authors evaluate and redefine family transitions such as divorce, single parent, and female-headed households and remarried couples who are attempting to integrate their respective children with ex-spouses and complicated networks of extended kin. They also reexamine traditional and emerging roles for women in their early, middle, and later years. Written in an engaging format, each chapter features an in-depth analysis of how gender shapes the relationship in question. This discussion is followed by fascinating vignettes of actual cases from each of the four authors whose approaches reflect different orientations to therapy. Based on the work of the Women's Project in Family Therapy, which won the 1986 AFTA Award for Distinguished Contribution to Family Therapy, this groundbreaking work is an excellent text for courses in family therapy and women's studies, an invaluable guide for mental health practitioners, and an insightful read for anyone who wishes to explore the invisible web of gender patterns in families.

Divorcee Susan Schreiber has her hands full with her life as an ER nurse and being a single mom. Her son is in trouble, and the one person who steps up to help is too dangerously sexy to trust. However, when her son is targeted by an organized crime boss, a bad boy may be the answer to her prayers or her worst nightmare. Will they find the love they so desperately desire, or will their budding relationship end in tragedy?
