Cravings Of Desire:

The Cravings of Desire Woodland Kahler,1960 **Cravings of Desire** Wood Kahler,1996-12 *In Praise of Desire* Nomy Arpaly,Timothy Schroeder,2014 Joining the ancient debate over the roles of reason and appetite in the moral mind *In Praise of Desire* takes the side of appetite The book makes the claim that acting for moral reasons acting in a praiseworthy manner and acting out of virtue amount to nothing more than acting out of intrinsic desires for the right or the good correctly conceived *In Praise of Desire* shows that a desire centered moral psychology can be richer than philosophers commonly think accommodating the full complexity of moral life **Bibliotheca Sacra** ,1877 **The Philosophy of Desire in the Buddhist Pali Canon** David Webster,2005 David Webster explores the notion of desire as found in the Buddhist Pali Canon Beginning by addressing the idea of a paradox of desire whereby we must desire to end desire the varieties of desire that are articulated in the Pali texts are examined A range of views of desire as found in Western thought are presented as well as Hindu and Jain approaches An exploration of the concept of ditthi view or opinion is also provided exploring the way in which holding views can be seen as analogous to the process of desiring Other subjects investigated include the mind body relationship the range of Pali terms for desire and desire s positive spiritual value A comparative exploration of the various approaches completes the work *A Kaleidoscope of Desires* Pasquale De Marco,2025-04-10 In the tapestry of human existence desire stands as a vibrant thread weaving its way through our thoughts actions and aspirations It is the driving force behind our pursuit of happiness success and fulfillment Yet desire can also be a double edged sword capable of both immense joy and profound suffering *A Kaleidoscope of Desires* delves into the depths of human desire exploring its complexities its contradictions and its transformative power With a keen eye for observation and a profound understanding of the human psyche Pasquale De Marco unravels the intricate web of longings and aspirations that shape our lives Through a series of thought provoking essays Pasquale De Marco invites us on a journey of self discovery challenging our assumptions about what we truly desire and revealing the hidden forces that shape our choices Pasquale De Marco argues that the key to living a fulfilling and meaningful life is to find a balance between our desires and our values This is not always an easy task It requires self awareness honesty and a willingness to face our fears and challenges But it is a journey worth taking for it is only when we live in alignment with our true desires that we can experience lasting happiness and fulfillment Pasquale De Marco offers a wealth of insights and practical advice to help us navigate the complex landscape of desire Drawing on a variety of sources including psychology philosophy and spirituality Pasquale De Marco provides a framework for understanding our desires and developing strategies for managing them in a healthy and productive way With wit wisdom and compassion Pasquale De Marco guides us on a journey of self discovery helping us to understand and embrace our desires and to find a path to a more fulfilling and meaningful life *A Kaleidoscope of Desires* is an essential read for anyone seeking to understand the nature of desire and its impact on our lives It is a book that will challenge your
