Creating an Islamic State Vanessa A. Martin, 2000 *The Making of Islamic Economic Thought* Sami Al-Daghistani, 2022-01-06 Interrogating the development and conceptual framework of economic thought in the Islamic tradition pertaining to ethical philosophical and theological ideas this book provides a critique of modern Islamic economics as a hybrid economic system From the outset Sami Al Daghistani is concerned with the polyvalent methodology of studying the phenomenon of Islamic economic thought as a human science in that it nurtures a complex plenitude of meanings and interpretations associated with the moral self By studying legal scholars theologians and Sufis in the classical period Al Daghistani looks at economic thought in the context of Sharia's moral law Alongside critiquing modern developments of Islamic economics he puts forward an idea for a plural epistemology of Islam's moral economy which advocates for a multifaceted hermeneutical reading of the subject in light of a moral law embedded in a particular cosmology of human relationality metaphysical intelligibility and economic subjectivity

The Concept of an Islamic State Sohail Mahmood, 1989 *The Interpretation of The Meaning of The Holy Quran Volume 3 - Surah Al-Baqarah verse 131 to 170.* Nasoha Bin Saabin, I have written many books and articles on various topics but since 2013 I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah I have completed the whole Quran on 29th October 2020 with 84 books I believe there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English Currently there is a great misunderstanding about Islam among Muslims and non Muslims globally The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non Muslims The wrong actions of the Muslims have led to many miseries and wars among Muslims The wrong actions of Muslims have also led to many wars and clashes between Muslims and non Muslims In order to avoid miseries wars and clashes from taking place between the whole mankind in the whole world the whole mankind in the whole

world need to understand the true teaching of Islam There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world English For this very reason I have written the interpretation of the Holy Quran in English Prof Nasoha Bin Saabin
