Creating Civil Union Opening Hearts And Minds:

Creating Civil Union Linda Hollingdale, 2002 Photographs and essays The Engagement Sasha Issenberg, 2021-06-01 A NEW YORK TIMES NOTABLE BOOK OF THE YEAR The riveting story of the conflict over same sex marriage in the United States the most significant civil rights breakthrough of the new millennium Full of intimate details battling personalities heated court cases public persuasion John Williams The New York Times On June 26 2015 the U S Supreme Court ruled that state bans on gay marriage were unconstitutional making same sex unions legal across the United States But the road to that momentous decision was much longer than many know In this definitive account Sasha Issenberg vividly guides us through same sex marriage s unexpected path from the unimaginable to the inevitable It is a story that begins in Hawaii in 1990 when a rivalry among local activists triggered a sequence of events that forced the state to justify excluding gay couples from marriage In the White House one president signed the Defense of Marriage Act which elevated the matter to a national issue and his successor tried to write it into the Constitution Over twenty five years the debate played out across the country from the first legal same sex weddings in Massachusetts to the epic face off over California s Proposition 8 and finally to the landmark Supreme Court decisions of *United States v Windsor* and *Obergefell v Hodges* From churches to hedge funds no corner of American life went untouched This richly detailed narrative follows the coast to coast conflict through courtrooms and war rooms bedrooms and boardrooms to shed light on every aspect of a political and legal controversy that divided Americans like no other Following a cast of characters that includes those who sought their own right to wed those who fought to protect the traditional definition of marriage and those who changed their minds about it *The Engagement* is certain to become a seminal book on the modern culture wars **S. 598, the Respect for Marriage Act** United States. Congress. Senate. Committee on the Judiciary, 2011 **Defending Same-sex Marriage: The freedom-to-marry movement : education, advocacy, culture, and the media** Mark Philip Strasser, Martin Dupuis, William A. Thompson, 2007 Places the struggle for marriage rights in the context of other American civil rights movements advocating legal and religious recognition of same sex marriage while educating the public about what gay marriage does and does not mean for the future of the institution of marriage *Curve* , 2004-02 **Making It Legal** Frederick Hertz, Emily Doskow, 2018-04-01 Marriage equality is here to stay Understand the benefits and complications Full legal marriage is now available in all U S states But there are still many questions that same sex couples should discuss before walking down the aisle Learn how marriage will affect your family if you have children your taxes and your responsibility for your partner s debts *Making It Legal* also covers state laws on same sex domestic partnerships and civil unions and explains whether your registration will be recognized if you move to another state **Open Heart, Open Mind** Clara Hughes, 2017-01-03 The long awaited memoir by Canada s most celebrated Olympian and advocate for mental health From one of Canada s most decorated Olympians comes a raw but life affirming story of one woman s struggle with depression In 2006 when Clara Hughes stepped onto the Olympic podium in

Torino Italy she became the first and only athlete ever to win multiple medals in both Summer and Winter Games Four years later she was proud to carry the Canadian flag at the head of the Canadian team as they participated in the opening ceremony of the Vancouver Olympic Winter Games But there s another story behind her celebrated career as an athlete behind her signature billboard smile While most professional athletes devote their entire lives to training Clara spent her teenage years using drugs and drinking to escape the stifling home life her alcoholic father had created in Elmwood Winnipeg She was headed nowhere fast when at sixteen she watched transfixed in her living room as gold medal speed skater Ga tan Boucher effortlessly raced in the 1988 Calgary Olympics Dreaming of one day competing herself Clara channeled her anger frustration and raw ambition into the endurance sports of speed skating and cycling By 2010 she had become a six time Olympic medalist But after more than a decade in the gruelling world of professional sports that stripped away her confidence and bruised her body Clara began to realize that her physical extremes her emotional setbacks and her partying habits were masking a severe depression After winning bronze in the last speed skating race of her career she decided to retire from that sport determined to repair herself She has emerged as one of our most committed humanitarians advocating for a variety of social causes both in Canada and around the world In 2010 she became national spokesperson for Bell Canada s Let s Talk campaign in support of mental health awareness using her Olympic standing to share the positive message of the power of forgiveness Told with honesty and passion Open Heart Open Mind is Clara s personal journey through physical and mental pain to a life where love and understanding can thrive This revelatory and inspiring story will touch the hearts of all Canadians Defending Same-Sex Marriage Martin Dupuis,William A.
